In accordance with section 351.213(b) of the regulations, an interested party as defined by section 771(9) of the Act may request in writing that the Secretary conduct an administrative review. For both antidumping and countervailing duty reviews, the interested party must specify the individual producers or exporters covered by an antidumping finding or an antidumping or countervailing duty order or suspension agreement for which it is requesting a review, and the requesting party must state why it desires the Secretary to review those particular producers or exporters. If the interested party intends for the Secretary to review sales of

merchandise by an exporter (or a producer if that producer also exports merchandise from other suppliers) which were produced in more than one country of origin and each country of origin is subject to a separate order, then the interested party must state specifically, on an order-by-order basis, which exporter(s) the request is intended to cover.

day of September 2001, a request for review of entries covered by an order, finding, or suspended investigation listed in this notice and for the period identified above, the Department will instruct the Customs Service to assess antidumping or countervailing duties on those entries at a rate equal to the cash deposit of (or bond for) estimated antidumping or countervailing duties required on those entries at the time of entry, or withdrawal from warehouse, for consumption and to continue to collect the cash deposit previously ordered.

This notice is not required by statute but is published as a service to the international trading community.

Certain Cut-to-Length Carbon Steel Plate From Canada: Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, U.S. Department of Commerce.

ACTION: Notice of preliminary results of antidumping duty administrative review.

SUMMARY: In response to a request from Clayson Steel Inc. (Clayson), the Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on certain cut-to-length carbon steel plate (CTL plate) from Canada. This review covers one manufacturer/exporter of CTL plate, Clayson, for the period August 1, 1999 through December 31, 1999.

We have preliminarily determined that sales have been made below normal value (NV) by the company subject to this review. See "Preliminary Results of Review" section below for the company-specific rate. If these preliminary results are adopted in our final results of this administrative review, we will instruct the U.S. Customs Service to assess antidumping duties based on the difference between the export price (EP) and the NV.

EFFECTIVE DATE: September 4, 2001.

FOR FURTHER INFORMATION CONTACT: Mark Hoadley at (202) 482-0666 or Julio Fernandez at (202) 482-0190, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

The Applicable Statute

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended (the Act), are to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all citations to the Department's regulations are to 19 CFR part 351 (April 1999).

Background

The Department published in the **Federal Register** antidumping duty orders on certain corrosion-resistant carbon steel flat products (CORE) and CTL plate from Canada on August 19, 1993. See *Antidumping Duty Orders: Certain Corrosion-Resistant Carbon Steel Flat Products and Certain Cut-to-Length Carbon Steel Plate from Canada*, 58 FR 44162 (August 19, 1993). The Department received timely requests from interested parties to conduct administrative reviews for the August 1, 1999 through July 31, 2000 period, pursuant to section 351.213(b) of the Department's regulations. On September 26, 2000, we initiated an administrative review of three manufacturers/exporters of CTL plate: Stelco Inc. (Stelco), Clayson, and Gerdau MRM Steel (MRM).

On December 8, 2000, the Department revoked the antidumping duty order on CTL plate from Canada, effective January 1, 2000, pursuant to a determination by the U.S. International Trade Commission (ITC) under section 751(c) of the Act. See *Revocation of Antidumping and Countervailing Duty Orders on Certain Carbon Steel Products From Canada, Germany, Korea, the Netherlands, and Sweden*, 65 FR 78467 (December 15, 2000) (*Revocation Notice*). As a result of the revocation of this order, the period of review (POR) for the seventh administrative review of CTL plate is shortened to the period from August 1, 1999 through December 31, 1999.

Under section 751(a)(3)(A) of the Act, the Department may extend the deadline for completion of an administrative review if it determines that it is not practicable to complete the review within the statutory time limit of 365 days. On March 1, 2001, the Department published a notice of

extension of the time limit for the preliminary results in this review to August 31, 2001. See *Certain Corrosion-Resistant Carbon Steel Flat Products and Certain Cut-to-Length Carbon Steel Plate: Extension of Time Limits for Preliminary Results of Antidumping Administrative Review*, 66 FR 12924 (March 1, 2001).

On May 8, 2001, MRM withdrew its request for a review of CTL plate. The petitioner withdrew its request for an administrative review of CTL plate with respect to Stelco and MRM, the only producers of CTL plate for which it had requested a review, on December 13, 2000, and on May 11, 2001, respectively. On July 27, 2001, the Department rescinded, in part, the antidumping duty administrative review of CTL plate, due to the withdrawal of requests for review by the interested parties. See *Certain Corrosion-Resistant Carbon Steel Flat Products and Certain Cut-to-Length Carbon Steel Plate from Canada: Rescission in Part and in Whole of Antidumping Duty Administrative Reviews*, 66 FR 39145 (July 27, 2001).

The Department is conducting this review in accordance with section 751(a) of the Act.

Scope of Review
