SUPPLEMENTARY INFORMATION:

Title: Issuance of Certificates of Self Regulation to Tribes for Class II Gaming.
OMB Number: 3141-0008.

Abstract: The Indian Gaming Regulatory Act, 25 U.S.C. 2701 *et seq.*, allows any Indian tribe that has conducted class II gaming for at least three years to petition the NIGC for a certificate of self-regulation for its class II gaming operations. The NIGC will issue the certificate if it determines from available information that the tribe has conducted its gaming activity in a manner which has resulted in an effective and honest accounting of all revenues, a reputation for safe, fair, and honest operation of the activity, and an

enterprise free of evidence of criminal or dishonest activity. The tribe must also have adopted and implemented proper accounting, licensing, and enforcement systems and conducted the gaming operation on a fiscally or economically sound basis. The implementing regulation of the NIGC, 25 CFR part 518, requires a tribe interested in receiving the certificate to file a petition with the NIGC describing the tribe's gaming operations, its regulatory process, its tribal revenue allocation plan, and its accounting and record keeping systems for the gaming operation. The tribe must also provide copies of various documents in support of the petition. Submission of the petition and supporting documentation is voluntary. The NIGC will use the information submitted by the respondent tribe in making a determination on whether to issue the certificate of self-regulation.

Respondents: Indian tribes conducting class II gaming.

Estimated Number of Potential Respondents: 200.

Estimated Annual Voluntary of Responses: 5.

Estimated Annual Burden Per Voluntary Respondent: 130.

Estimated Total Annual Burden on Voluntary Respondents: 650.
