SUPPLEMENTARY INFORMATION:

A. Background

This interim rule implements Section 807 of the National Defense Authorization Act for Fiscal Year 2001 (Public Law 106-398). Section 807 adds women-owned small businesses to the types of concerns that may participate as protege firms in the DoD Pilot Mentor-Protege Program. The rule also clarifies that business concerns owned and controlled by an Indian tribe or a Native Hawaiian organization are eligible to participate as protege firms in the Program.

This rule was not subject to Office of Management and Budget review under Executive Order 12866, dated September 30, 1993.

B. Regulatory Flexibility Act

DoD expects this rule to have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.* An initial regulatory flexibility analysis has been prepared and is summarized as follows: This interim rule permits women-owned small business concerns to participate as protege firms in the DoD Pilot Mentor-Protege Program. DoD expects this rule to have a beneficial impact on women-owned small business concerns, as participation in the Program provides protege firms an opportunity to enhance their capabilities and increase their participation as subcontractors. Presently, there are 3,471 women-owned small business concerns that do business with DoD. Since the inception of the Pilot Mentor-Protege Program, 160 mentor firms and 509 protege firms have participated in the Program.

A copy of the analysis may be obtained from the point of contact specified herein. DoD invites comments from small businesses and other interested parties. DoD also will consider comments from small entities concerning the affected DFARS subparts in accordance with 5 U.S.C. 610. Such comments should be submitted separately and should cite DFARS Case 2001-D006.

C. Paperwork Reduction Act

The information collection requirements of the DoD Pilot Mentor-Protege Program have been approved by the Office of Management and Budget

under Control Number 0704-0332, for use through March 31, 2004.

D. Determination To Issue an Interim Rule

A determination has been made under the authority of the Secretary of Defense that urgent and compelling reasons exist to publish this interim rule prior to affording the public an opportunity to comment. This interim rule implements Section 807 of the National Defense Authorization Act for Fiscal Year 2001 (Public Law 106-398). Section 807 adds women-owned small businesses to the types of concerns that may participate as protege firms in the DoD Pilot Mentor-Protege Program. Section 807 became effective upon enactment on October 30, 2000. Comments received in response to this interim rule will be considered in the formation of the final rule.

I-100 Purpose.

(a) This Appendix I to 48 CFR Chapter 2 implements the Pilot Mentor-Protege Program (hereinafter referred to as the "Program") established under Section 831 of Public Law 101-510, the National Defense Authorization Act for Fiscal Year 1991 (10 U.S.C. 2302 note). The purpose of the Program is to—

(1) Provide incentives to major DoD contractors, performing under at least one active approved subcontracting plan negotiated with DoD or another Federal agency, to assist protege firms in enhancing their capabilities to satisfy DoD and other contract and subcontract requirements;

(2) Increase the overall participation of protege firms as subcontractors and suppliers under DoD contracts, other Federal agency contracts, and commercial contracts; and

(3) Foster the establishment of long-term business relationships between protege firms and such contractors.

(b) Under the Program, eligible companies approved as mentor firms will enter into mentor-protege agreements with eligible protege firms to provide appropriate developmental assistance to enhance the capabilities of the protege firms to perform as subcontractors and suppliers. According to the law, DoD may provide the mentor firm with either cost reimbursement or credit against applicable subcontracting goals established under contracts with DoD or other Federal agencies.

(c) DoD will measure the overall success of the Program by the extent to which the Program results in—

(1) An increase in the dollar value of contract and subcontract awards to protege firms (under DoD contracts, contracts awarded by other Federal agencies, and commercial contracts) from the date of their entry into the Program until 2 years after the conclusion of the agreement;

(2) An increase in the number and dollar value of subcontracts awarded to a protege firm (or former protege firm) by its mentor firm (or former mentor firm);

(3) An increase in subcontracting with small disadvantaged business (SDB) and women-owned small business (WOSB) concerns in industry categories where SDBs and WOSBs traditionally have not participated within the mentor firm's vendor base;

(4) The involvement of emerging SDB protege firms in the Program; and

(5) An increase in the employment level of protege firms from the date of entry into the Program until 2 years after the completion of the agreement.

(d) This policy sets forth the procedures for participation in the Program applicable to companies that are interested in receiving—

(1) Reimbursement through a separate contract line item in a DoD contract or a separate contract with DoD; or

(2) Credit toward applicable subcontracting goals for costs incurred under the Program.

7. Appendix I to Chapter 2 is amended by revising Section I-101.1 to read as follows:

I-101.1 Emerging SDB protege firm.
