DEPARTMENT OF VETERANS AFFAIRS

Privacy Act of 1974, Amendment of Three Systems of Records

ACTION: Notice.

SUMMARY: As required by the Privacy Act of 1974, 5 U.S.C. 552a(e), notice is hereby given that the Department of Veterans Affairs (VA) proposes amending three existing systems of records (44VA01, 58VA21/22 and 81VA01) to: (1) Amend a routine use in one system (44VA01) to clarify that information released under the routine use is at VA's initiative and that certain names and address are released only to Federal law enforcement entities under the routine use; (2) add a routine use relating to release of information about representative misconduct to each of the systems; (3) amend two of the systems (58VA21/22 and 81VA01) to clarify what individuals are covered by the systems; (4) add a statement of purpose to each of the systems; and (5) to update information such as citations and contact information in each of the systems.

DATES: The proposed amendments will be effective 30 calendar days from the date this publication, September 13, 2001, unless comments are received before this date which would result in a contrary determination.

ADDRESSES: Mail or hand-deliver written comments to: Director, Office of Regulations Management (02D), Department of Veterans Affairs, 810 Vermont Ave., NW, Room 1154, Washington, DC 20420; or fax comments to (202) 273-9289; or e-mail comments to "OGCRegulations@mail.va.gov". FOR FURTHER INFORMATION CONTACT:

Steven L. Keller, Senior Deputy Vice Chairman, Board of Veterans' Appeals (012), Department of Veterans Affairs, 810 Vermont Avenue, NW, Washington, DC 20420, (202) 565-5978.

SUPPLEMENTARY INFORMATION: VA

provides benefits and services to many of America's approximately 25 million living veterans, as well as to veterans' survivors and dependents.

Amendment of Routine Use: VA proposes 2 amendments to routine use number 2 in system of records 44VA01. This routine use concerns referral of agency records showing violation of law to law enforcement authorities. One amendment clarifies that the referral referenced is referral on VA's initiative. In addition to requirements of the Privacy Act, 5 U.S.C. 552a, VA must comply with information disclosure limitations in 38 U.S.C. 5701 which, among other things, restrict release of the names and address of veterans and their dependents. The second proposed amendment to this routine use clarifies that, except for referral to other Federal entities, the information referred under this routine use does not include such names and addresses.

Additional Routine Use: Claimants for VA benefits are entitled to representation throughout the VA claims adjudication process. VA regulates representatives appearing in VA claims matters to promote representational competency and the ethical treatment of represented VA claimants. See generally 38 U.S.C. 5901-05; 38 CFR 14.626-.643, 20.600-.610.

In the great majority of cases, representational services are ably provided by well-trained, responsible representatives of State and national veterans' service organizations, agents recognized by VA as qualified to act as representatives, attorneys-at-law and others. Occasionally, however, representatives may engage in unethical or illegal conduct; for example by charging fees where none are authorized by law, willfully and deliberately violating agency rules of practice and procedure, or defrauding VA claimants.

The routine use added to these three systems of records would permit VA to disclose information in its files concerning a representative's misconduct to Federal, State, or local law enforcement authorities and to authorities responsible for the professional licensing and discipline of representatives, such as State or local bar associations.

Changes to update these systems: System 44VA01 already provides that representatives are included in the categories of individuals covered by the system. These amendments clarify that that is also true of systems 58VA21/22 and 81VA01.

The Office of the Federal Register of the National Archives and Records Administration now includes "Purpose(s)" among the required data elements in published systems of records notices. These amendments add purpose sections to each of the three systems amended.

Citations to title 38, United States Code, have been revised throughout to reflect renumbering of that title that occurred after these systems were originally established. A citation to 42 U.S.C. 209dd-3 and 290ee-3 has been removed from a note in 44VA01. The note concerns special protection afforded by 38 U.S.C. 7332 (formerly § 4132) to records concerning drug abuse, alcoholism or alcohol abuse, infection with the human immunodeficiency virus or sickle cell anemia. The cited title 42 provisions were the authority for regulations of the Secretary of Health and Human Services concerning the confidentiality of alcohol and drug abuse patient records which VA followed prior to the adoption of its own regulations at 38 CFR 1.460-.494. For additional information, see 60 FR 63926 (1995).

Finally, these proposed amendments update addresses and telephone numbers that have changed since notices of these systems were published.

VA has determined that release of information under circumstances such as those described above is a necessary and proper use of information in these systems of records and that the specific routine use proposed for the transfer of this information is appropriate.

The systems of records VA proposes to amend, which are contained in the **Federal Register** at the pages indicated, are:

44VA01, Veterans Appellate Records System-VA, established at 40 FR 38095 (8/26/75) and amended at 56 FR 15663 (4/17/91) and 63 FR 37941 (7/14/98).

58VA21/22, Compensation, Pension, Education and Rehabilitation Records—VA, established at 41 FR 9294 (3/3/76) and last amended at 63 FR 37941 (7/14/98) and 65 FR 37605 (6/15/00), with other amendments as cited therein.

81VA01, Representatives' Fee Agreement Records System—VA, established at 56 FR 18874 (4/24/91) and amended at 57 FR 8792 (3/12/92) and 63 FR 37941 (7/14/98).

A "Report of Altered System" and an advance copy of the revised system have

been sent to the chairmen and ranking members of the Committee on Governmental Reform of the House of Representatives and the Committee on Governmental Affairs of the Senate, and to the Office of Management and Budget, as required by 5 U.S.C. 552a(o) (Privacy Act) and guidelines issued by the Office of Management and Budget.

Approved: August 27, 2001.

Anthony J. Principi,

Secretary of Veterans Affairs.
