Environmental Impact Statements and Regulations; Availability of EPA Comments

Availability of EPA comments prepared pursuant to the Environmental Review Process (ERP), under Section 309 of the Clean Air Act and Section 102(2)(c) of the National Environmental Policy Act as amended. Requests for copies of EPA comments can be directed

to the Office of Federal Activities at (202) 564-7167. An explanation of the ratings assigned to draft environmental impact statements (EISs) was published in FR dated May 18, 2001 (97 FR 27647).

Draft EISs

ERP No. D-FHW-D40313-MD Rating EC2, MD-210 (Indian Head Highway) Multi-Modal Study, MD-210 Improvements between I-95/I-495 (Capitol Beltway) and MD-228 Funding and US COE Section 404 Permit Issuance, Prince George's County, MD.

Summary: EPA is concerned with the potential impacts to streams, Chesapeake Bay Critical areas, historic resources, residential, business/commercial, and church/school properties. EPA has also requested additional information regarding the environmental justice evaluation. In general, EPA supports the concept of improving the functioning of an existing transportation facility through the addition of grade-separated interchanges, overpasses, and High Occupancy Vehicle (HOV) lanes.

ERP No. D-FHW-E40786-FL Rating EC2, I-4 Corridor Improvements, Upgrading the Safety and Mobility of the existing I-4, from west of FL-528 (Bee Line Expressway) interchange in Orange County to east of FL-472 interchange in Volusia County, Funding, COE Section 10 and 404 Permits, NPDES Permit, Orange, Seminole, and Volusia Counties, FL.

Summary: EPA is concerned that mobility will not be improved unless the project is integrated better with plans for mass transit and, accordingly, requested additional information. The assessment of cumulative impacts and mitigation both require additional analysis. EPA is also concerned about potential impacts to ground water resources from proposed storm water ponds.

ERP No. D-FHW-E40787-AL Rating EC2, Memphis to Atlanta Corridor Study (DPS-A002(002)), Proposal to Build Highway from the Mississippi/Alabama State Line to Interstate 65, Funding and COE Section 404 Permit, Colbert, Franklin, Lauderdale, Lawrence, Limestone and Morgan Counties, AL.

Summary: EPA expressed concern for and additional information regarding: wetlands mitigation; secondary and cumulative impacts to aquatic resources; noise; and impacts to minority and low-income individuals.

ERP No. D-FHW-E40788-AL Rating EO2, Memphis to Atlanta Corridor, To Construct from I65 in North Central Alabama Eastward to the Georgia State
