The areas described aggregate approximately 2,173 acres in Silver Bow, Jefferson, Powell, and Lewis and Clark Counties, Montana.

For a period of 90 days from the date of publication of this notice, all persons who wish to submit comments, suggestions, or objections in connection with the proposed withdrawal may present their views in writing to the Forest Supervisor, Beaverhead-

Deerlodge National Forest, at the address indicated above.

Notice is hereby given that an opportunity for a public meeting is afforded in connection with the proposed withdrawal. All interested persons who desire a public meeting for the purpose of being heard on the proposed withdrawal must submit a written request to the Forest Supervisor at the address indicated above within 90 days from the date of publication of this notice. Upon determination by the authorized officer that a public meeting will be held, a notice of the time and place will be published in the **Federal Register** at least 30 days before the scheduled date of the meeting.

The application will be processed in accordance with the regulations set forth in 43 CFR 2300.

For a period of 2 years from the date of publication of this notice in the **Federal Register**, the land will be segregated as specified above unless the application is denied or canceled or the withdrawal is approved prior to that date. The temporary land uses which may be permitted during this segregative period include all activities currently consistent with applicable Forest plans and those related to exercise of valid existing rights.

Dated: July 31, 2001.

BILLING CODE 3410-11-P

DEPARTMENT OF JUSTICE

[AAG/A Order No. 245-2001]

Privacy Act of 1974; System of Records

Pursuant to the provisions of the Privacy Act of 1974 (5 U.S.C. 552a), the Immigration and Naturalization Service (INS), Department of Justice, proposes to modify the following system of records—previously published December 16, 1999 (64 FR 70290):

Worksite Enforcement Records, JUSTICE/INS-025

INS proposes: (1) To revise the title of the system to accurately convey the records within the system; (2) to reflect that the system is now located in all district offices and sub-offices instead of just specific field offices; (3) to add an additional category of individuals covered by the system; (4) to clarify records within the system; (5) revise the "Purpose" to emphasize the inspection function of the system; (6) add two routine use disclosures (J and K); (7)

modify the "Retention and Disposal" section to include a disposition for verification records; and (8) to make minor changes and edits.

In accordance with 5 U.S.C. 552a(e)(4) and (11), the public is given a 30-day period in which to comment on the modifications to the system and the new routine use disclosures. The Office of Management and Budget (OMB), which has oversight responsibilities review of the system. Therefore, please submit any comments by (30 days from the publication date of this notice). The public, OMB, and the Congress are invited to send written comments to Mary Cahill, Management Analyst, Management and Planning Staff, Justice Management Division, Department of Justice, Washington, DC 20530 (Room 1400, National Place Building).

In accordance with 5 U.S.C. 552a(r), the Department has provided a report to OMB and the Congress on the proposed modification.

Dated: September 18, 2001.

Janis A. Sposato,

Acting Assistant Attorney General for Administration.

Justice/INS-025

SYSTEM NAME:

Worksite Enforcement Records.

SYSTEM LOCATION:

Immigration and Naturalization Service (INS) Headquarters, Regional, district, and sub-offices as detailed in Justice/INS-999, last published April 13, 1999 (64 FR 18052). Currently, only the district and sub-offices maintain the hard copy case files for this system. Automated indices are maintained at INS Headquarters, regional and district offices, and sub-offices.

CATEGORIES OF INDIVIDUALS COVERED BY THE SYSTEM:

The records maintained in this system of records concern the following:

(a) Individuals who are or have been the subject of inquiries or investigations conducted by the INS related to the enforcement of the employment control provisions of the Immigration and Nationality Act (INA) and related criminal statutes. The records primarily involve those individuals who are being investigated or have been investigated to determine whether their employment-related activities (e.g., hiring, recruiting, and/or referring for a fee) are in violation of the employment control provisions of the INA and/or related criminal statutes. These records also include individuals who employ others in their individual capacity whether related to a business activity or not; (b)

individuals who are witnesses, complainants, and parties who have been identified by the INS or by other government agencies or parties to an investigation related to worksite enforcement activities; and (c) individuals who have submitted completed Form I-9 (Employment Eligibility Verification Form) and other documentation to establish identity and work eligibility/authorization under the employment control provisions of the INA. In addition, the system will include information necessary to verify the information attested to on I-9 forms.

CATEGORIES OF RECORDS IN THE SYSTEM:

Information relating to investigative actions including: letters; memoranda; reports of investigations with related exhibits, statements, affidavits, or records obtained during investigations (i.e., including employment verification records); prior criminal or non-criminal records of individuals as they relate to the investigations; reports to or from other law enforcement bodies; information obtained from informants; information on the nature of allegations made against suspects and identifying data concerning such suspects; and related documents.

AUTHORITY FOR MAINTENANCE OF THE SYSTEM:

* * * * *

PURPOSE(S):

The purpose of the system(s) is to enable the INS to meet its obligations and responsibilities in administering and enforcing the employment control provisions of the INA and related criminal statutes. Records in this system are used in the course of INS investigations of entities or individuals (e.g., employers, employees, independent contractors, sub-contractors) suspected of having committed illegal acts and in the course of conducting related civil proceedings, criminal prosecutions, or administrative actions. The records are also used to facilitate INS' inspection authority to monitor and evaluate the information contained on all I-9 forms under inspection, regardless of whether suspicion of wrongdoing exists on the part of the person who executed the Form I-9. Finally, records are also maintained for statistical purposes.

ROUTINE USES OF RECORDS MAINTAINED IN THE SYSTEM, INCLUDING CATEGORIES OF USERS AND THE PURPOSE OF SUCH USE:
