

**SUMMARY:** On October 4, 2000, 80 acres of public land were classified and segregated for Recreation and Public Purposes (R&PP) purposes (UTU-78576). Subsequently it was determined that a fifty acre portion of this classification contained resource values which should remain in public ownership. Therefore, the classification on these fifty acres of public land in Garfield County is being terminated. In place of this 50 acre parcel, an additional thirty acres which have been determined to not contain these values are hereby classified for disposal under the Recreation and Public Purposes Amendment Act of 1988 (Pub. L. 100-648).
