*Purpose:* The Committee is charged with  
advising the Director, CDC, on the  
appropriate uses of immunizing agents. In  
addition, under 42 U.S.C. 1396s, the  
Committee is mandated to establish and  
periodically review and, as appropriate,  
revise the list of vaccines for administration  
to vaccine-eligible children through the  
Vaccines for Children (VFC) program, along  
with schedules regarding the appropriate

periodicity, dosage, and contraindications  
applicable to the vaccines.

*Matters to be Discussed:* The agenda will  
include a discussion on rotavirus vaccine  
and intussusception; live attenuated  
influenza vaccine and potential pediatric  
influenza vaccine recommendations; update  
on 2001-2002 influenza vaccine supply;  
hepatitis B recommendation; update on  
varicella disease and varicella vaccine in the  
United States: vaccine coverage, vaccine  
safety and effectiveness, status of child care  
and school requirements, and decline in  
varicella disease from active and passive  
surveillance data; pneumococcal conjugate  
vaccine: effect of the vaccine on invasive  
disease during 2000 and on vaccine supply;  
Institute of Medicine recommendations on  
thimerosal; updates from the National  
Immunization Program, Food and Drug  
Administration, Vaccine Injury  
Compensation Program, National Institutes of  
Health, National Vaccine Program, and the  
National Center for Infectious Diseases;  
recommended childhood immunization  
schedule; use of oral polio virus to control  
outbreaks of poliomyelitis; adult harmonized  
schedule; receipt of rubella vaccine before  
pregnancy; Occupational Safety and Health  
Administration requirement for using safety  
engineered needles and implications for  
childhood immunization delivery; adaptation  
of vaccine formulary selection algorithm to  
web-accessible tool; and hepatitis A vaccine.

Agenda items are subject to change as  
priorities dictate.

### Evaluation Criteria

Applications will be reviewed and evaluated on the following criteria:

#### 1. Objectives and Need for Assistance (20 Points)

The extent to which the application provides current data on the needs of young children, families, and communities for expanded Head Start services, including analyses of changes in poverty and family mobility, employment opportunities and welfare reform, and any special unserved or underserved populations or groups.

The extent to which the application provides convincing evidence of the involvement and support of other organizations serving low-income families in assessing family and community needs and resources, developing proposed plans and strategies, and in active partnerships to implement the proposed expansion.

#### 2. Results or Benefits Expected (10 Points)

The extent to which the applicant identifies the results and benefits to be derived from the project and links these to the stated objectives.

The extent to which the applicant describes the kinds of data to be collected and how they will be utilized to measure progress towards the stated results or benefits.

#### 3. Approach (25 Points)

The extent to which the application includes a detailed, well-organized, and credible plan of action to carry out the proposed expansion of Head Start services, including plans for recruitment and selection of children, arrangements for transportation and facilities and plans for start-up of the new services.

The extent to which the application includes clear plans and a demonstrated commitment to implement the Head Start Program Performance Standards, including involvement of parents and families in program design and decision making.

The extent to which the application proposes, where possible, to collaborate with other community providers to deliver a high quality, cost-effective Head Start program.

The extent to which the application provides sound, cost-effective staffing, organizational and management strategies, including staff training and development to ensure that the expansion provides high quality and responsive services.
