Nevada Sun-Peak Limited Partnership and Nevada Power Holdings II, LLC; Notice of Filing

September 21, 2001.

Take notice that on September 12, 2001, Nevada Sun-Peak Limited Partnership and Nevada Power Holdings II, LLC (Applicants) filed with the Federal Energy Regulatory Commission (Commission), a joint application pursuant to Section 203 of the Federal Power Act for authorization of a disposition of jurisdictional facilities whereby Applicants request approval of the transfer of a 49% general partnership interest and a 1% limited partnership interest in Nevada Sun-Peak Limited Partnership from Quartz-Peak Energy Company to Nevada Power Holdings II, LLC.

Nevada Sun-Peak Limited Partnership is engaged exclusively in the business of owning a 222 MW peaking facility located in Las Vegas, Nevada (the Facility), and selling its capacity at wholesale to Nevada Power Company. The Applicants request privileged treatment by the Commission of the Partnership Interest Purchase Agreement that governs the proposed transfer.

Any person desiring to be heard or to protest such filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice

and Procedure (18 CFR 385.211 and 385.214). All such motions and protests should be filed on or before October 3, 2001. Protests will be considered by the Commission to determine the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection. Niagara Mohawk Power Corporation; Notice of Filing

September 21, 2001.

Take notice that on September 19, 2001, Niagara Mohawk Power Corporation (NMPC), pursuant to Section 205 of the Federal Power Act and Part 35 of the Commission's regulations, tendered for filing and Commission acceptance the First Revision of the Interconnection Agreement for Nine Mile Point Unit No. 2 nuclear generating station (NMP-2) between NMPC, New York State Electric & Gas Corporation (NYSEG), Long Island Lighting Company d/b/a LIPA (LIPA), and Nuclear LLC, designated SERVICE Agreement No. 309 of the NYISO OATT. On July 6, 2001, the Commission accepted the NMP-2 Interconnection Agreement for filing, effective on the date of closing, and directed NMPC to submit a timely filing, if necessary, to reflect NYSEG's ownership interest in the NMP-2. The filing of First Revision of the NMP-2 Interconnection Agreement complies with that direction.

Any person desiring to be heard or to protest such filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426,

in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). All such motions and protests should be filed on or before October 5, 2001. Protests will be considered by the Commission to determine the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.
