

Expected Future Fuel Accumulations, Kootena National Forest, Rexford Ranger District, Lincoln County, MT.

Summary: EPA expressed environmental concerns about the effects of timber harvest on the fire impacted streams. Additional harvest and fuel reduction action in the preferred alternative will increase peak flow impacts. EPA suggested evaluating an alternative that provides a more optimal balance of the environmental and resource trade-offs.

ERP No. F-BOP-G81010-LA, Pollock Federal Correctional Institution, Construction and Operation, near Town of Pollock, Grant Parish, LA.

Summary: EPA has no objections to the selection of the preferred alternative as described in the Final EIS.

ERP No. F-BOP-K80043-AZ, Southern Arizona Federal Correctional Facility, Construction and Operation, Pima and Yuma Counties, AZ.

Summary: No formal comment letter was sent to the preparing agency.

ERP No. F-COE-K90029-CA, Delta Wetlands Project, Construction and Operation Water Storage Project on Four Islands in the Sacramento-San Joaquin Delta, Approval of Permits, San Joaquin and Contra Costa Counties, CA.

Summary: No formal comment letter was sent to the preparing agency.

ERP No. F-FHW-G40147-NM, Paseo del Volcon Corridor, Acquisition of Right-of-Way and Construction of Roadway, from the Intersection of I-40 to Intersection of NM-44 near the Town of Bernalillo, Bernalillo and Sandoval Counties, NM.

Summary: EPA has no objection to the selection of the preferred alternative as described in the FEIS. Comments offered on the DEIS have been fully responded to. We have no additional comments to offer.

ERP No. F-GSA-D80030-DC, Department of Transportation Headquarters, Proposal to Lease 1.3 to 1.35 Million Rentable Square Feet of Consolidated and Upgraded Space, Five Possible Sites, Located in the Central Employment Area, Washington, DC.

Summary: The Final EIS adequately addresses the comments raised in the Draft EIS. EPA requested that GSA, prior to the opening of the new DOT Headquarters, coordinate with the Washington Metropolitan Area Transportation Authority (WMATA) on Green Line capacity assurance for the additional DOT passengers.

ERP No. F-IBR-K36132-CA, Colusa Basin Drainage District, Developing an Integrated Resource Management Program for the Control of Flooding, Glenn, Colusa and Yolo Counties, CA.

Summary: EPA urged a focus on effective management and smaller structural approaches such as Best Management Practices, flood easements, setback levees and modified grazing practices. The District and Reclamation have stated that the current evaluation is programmatic and that identified information gaps will be addressed at the project level. We requested a specific commitment in the Record of Decision to full project level evaluation and analysis of these information gaps.

ERP No. F-SFW-K64020-CA, Metro Air Park Habitat Conservation Plan, Issuance of an Incidental Take Permit, To Protect, Conserve and Enhance Fish, Wildlife and Plants and their Habitat, Natomas Basin, Sacramento County, CA.

Summary: EPA remains concerned with cumulative impacts and general conformity with regional air quality plans. We recommended the ROD include a more complete cumulative impact analysis and a general conformity analysis, if applicable.

ERP No. F-USA-K11092-AZ, Yuma Proving Ground Multipurpose Installation, Diversification of Mission and Changes to Land Use, NPDES General Permit and COE Section 404 Permit, Yuma and La Pas Counties, AZ.

Summary: No formal comment letter was sent to the preparing agency.

Dated: September 24, 2001.

Joseph C. Montgomery,
Director, NEPA Compliance Division, Office of Federal Activities.

Science Advisory Board; Notification of Public Advisory Committee Meetings

Pursuant to the Federal Advisory Committee Act, Public Law 92-463, notice is hereby given that two committees of the US EPA Science Advisory Board (SAB) will meet on the dates and times noted below. All times noted are Eastern Standard Time. All meetings are open to the public, however, seating is limited and available on a first come basis. *Important Notice:* Documents that are the subject of SAB reviews are normally available from the originating EPA office and are not available from the SAB Office—information concerning availability of documents from the relevant Program Office is included below.

1. Research Strategies Advisory Committee (RSAC) October 16-17, 2001

The Research Strategies Advisory Committee (RSAC) of the US EPA Science Advisory Board (SAB), will meet on Tuesday and Wednesday, October 16-17, 2001 at EPA headquarters in room 6013 of the Ariel Rios Building, 1200 Pennsylvania Avenue, NW, Washington, DC 20005. The meeting will begin by 8:30 a.m. and adjourn no later than 5 p.m. Eastern Standard time on both days.

The RSAC will conduct a review of two of EPA's Office of Research and Development's multiyear plans. The Committee is expected to review the Pollution Prevention and Water Quality Multiyear Plans, however, the specific multi-year plans to be reviewed are subject to change. EPA uses several means to develop and coordinate its research activities and has recently developed Multiyear Plans for certain
