**SUPPLEMENTARY INFORMATION:** Section 4062 of the Employee Retirement Income Security Act of 1974 provides that the contributing sponsor of a single-employer pension plan and members of the sponsor's controlled group ("the employer") incur liability ("employer liability") if the plan terminates with assets insufficient to pay benefit liabilities under the plan. The PBGC's statutory lien for employer liability and the payment terms for employer liability are affected by whether and to what extent employer liability exceeds 30 percent of the employer's net worth.

Section 4062.6 of the PBGC's employer liability regulation (29 CFR 4062.6) requires a contributing sponsor or member of the contributing sponsor's controlled group who believes employer liability upon plan termination exceeds 30 percent of the employer's net worth to so notify the PBGC and to submit net worth information. This information is necessary to enable the PBGC to determine whether and to what extent employer liability exceeds 30 percent of the employer's net worth.

The collection of information under the regulation has been approved by OMB under control number 1212-0017 (expires October 31, 2001). The PBGC is requesting that OMB extend its approval for three years. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The PBGC estimates that an average of 6 contributing sponsors or controlled group members per year will respond to this collection of information. The PBGC further estimates that the average annual burden of this collection of information will be 12 hours and \$2,400 per respondent, with an average total annual burden of 72 hours and \$14,400.

Issued in Washington, DC, this 24th day of September, 2001.

Institution and settlement of administrative proceedings of an enforcement nature.

The subject matters of the open meeting scheduled for Wednesday, October 3, 2001, will be:

1. The Commission will consider a recommendation to adopt final amendments to its broker-dealer books and records rules, Rule 17a-3 and Rule 17a-4 under the Securities Exchange Act of 1934. The amendments to Rule 17a-3 would clarify and expand recordkeeping requirements with respect to purchase and sale documents, customer records, associated person records, customer complaints, and certain other matters. The amendments to Rule 17a-4 would expand the types of records that broker-dealers must maintain and require broker-dealers to

maintain or promptly produce certain records at each office to which those records relate. These amendments are designed to assist securities regulators, particularly state securities regulators, when conducting sales practice examinations of broker-dealers. These amendments were originally proposed on October 22, 1996 (see Exchange Act Release No. 37850, 61 FR 55593 (Oct. 28, 1996)), and were repropounded on October 2, 1998 (see Exchange Act Release No. 40518, 63 FR 54404 (Oct. 9, 1998)).

2. The Commission will consider a recommendation to propose amendments to Rule 17f-4 under the Investment Company Act of 1940, the rule that governs investment companies' use of securities depositories. The proposed amendments would permit additional types of organizations to operate as depositories under the rule, allow depositories to perform additional functions, and expand the types of investment companies that can rely on the rule.

For further information, please contact Hugh P. Lutz, Attorney, Division of Investment Management, at (202) 942-0690.

3. The Commission will consider approving proposed amendments to its debt collection rules to conform to the Debt Collection Act, as amended, and the Federal Claims Collection Standards, as amended; the rule amendments would facilitate offset of unpaid debts against amounts owed by the government to the debtor, and permit administrative garnishment of non-federal wages.
