OFFICE OF PERSONNEL MANAGEMENT

**Submission for OMB Review:
Comment Request for Reclearance of
Previously Approved Collections:
Standard Forms 85, 85P, 85P-S, 86,
and 86A**

AGENCY: U.S. Office of Personnel Management.

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (Public Law 104-13, May 22, 1995), this notice announces that the Office of Personnel Management (OPM) has submitted to the Office of Management and Budget (OMB) a request for reclearance of five (5) information collections.

Executive Orders 10450 and 12968 require that investigations be conducted on all persons entering Federal service, or assigned to Federal positions affecting the public trust or requiring a security clearance. The Standard Form 85, Questionnaire for Non-Sensitive Positions, is completed by appointees to non-sensitive positions in the Federal government, and is used by OPM to conduct National Agency Checks and Inquiries investigations. The Standard Form 85P, Questionnaire for Public Trust Positions, is completed by persons seeking placement in positions designated as low, moderate or high risk to the public trust because of their sensitive duties. This information collection also includes the Standard Form 85P-S, Supplemental Questionnaire for Selected Positions, which is requested for selected positions at the high risk level. Information collected on the SF 85P and SF 85P-S is used by OPM and other Federal agencies to initiate background investigations required to determine suitability for placement in public trust or other sensitive, non-access positions. The Standard Form 86, Questionnaire for National Security Positions, is completed by persons performing or seeking to perform national security duties for the Federal government, and is used by OPM and other Federal agencies to initiate national security investigations. These information collections include Standard Form 86A, Continuation Sheet for Questionnaires SF 86, SF 85P and SF 85, which provides formatted space to continue answers to questions on the other forms.

We estimate 10 respondents who are not Federal employees will complete the SF 85 annually, that the burden for each response is 30 minutes, and that the total annual burden is five hours. The number of non-Federal employees expected to complete the SF 85P is 2,000, each form requires approximately 60 minutes to complete, and the annual burden is estimated at 2,000 hours. The number of non-Federal employees expected to complete the SF 85P-S is 300, each form requires approximately 10 minutes to complete, and the annual burden is estimated at 50 hours. The number of non-Federal employees

expected to complete the SF 86 and SF 86A is 200,000, the form requires an average of 90 minutes to complete, and the annual burden is estimated at 300,000 hours.

OFFICE OF PERSONNEL MANAGEMENT

**Submission for OMB Review;
Comment Request for Review of
Expiring Information Collection Form:
OPM-1386B**

AGENCY: Office of Personnel Management.

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (Public Law 104-13, May 22 1995), this notice announces that the Office of Personnel Management (OPM) has submitted to the Office of Management and Budget a request for review of an expiring information collection form, OPM-1386B, Applicant Race and National Origin Questionnaire. This form is used to gather information concerning the race and national origin of applicants for employment under the Outstanding Scholar provision of the Luevano Consent Decree, 93 F.R.D. 68 (1981).

During the sixty-day comment period, OPM received two comments. The first comment stated that OPM should provide the OPM-1386B form electronically on OPM's website for applicants to complete and e-mail to the proper agency. It is our intent to provide the form electronically on the OPM website for agencies to download and distribute. The second stated that applicants should submit their information directly to OPM. In the section titled "Monitoring, Recordkeeping and Reporting," of the Luevano Consent Decree it specifically states that agencies will be responsible for collecting, maintaining, and compiling statistics on the special programs.

Approximately 100,000 OPM-1386B forms are completed annually. The 60-day **Federal Register** Notice reported an incorrect response time of 8 minutes. The correct estimated response time is 5 minutes with an annual public burden of 8,333 hours.

For copies of this proposal, contact Mary Beth Smith-Toomey on (202) 606-8358, FAX (202) 418-3251 or e-mail to mbtoomey@opm.gov. Please include a mailing address with the request.
