

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange.¹³ Specifically, the Commission finds that the proposed rule change is consistent with Section 6(b)(5) of the Act,¹⁴ which requires, among other things, that the rules of an exchange be designed to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

The Commission believes that Exchange customers should be provided the opportunity to cancel orders that remain on the Phlx limit order book before the Exchange or Phlx specialist cancels the orders for them. The Commission notes that when the Amex facility reopens, non-Phlx Amex options will not longer be traded on the Phlx. Thus, the Commission believes that it is appropriate to allow Exchange customers to decide how they want their orders that remain on the Phlx limit order book handled. Further, because the Exchange will no longer trade non-Phlx Amex options, the Commission believes that it is reasonable for the exchange or Phlx specialist to cancel those remaining orders that are not canceled by the Exchange customer.

The Commission also finds that the Phlx proposal to terminate trading in non-Phlx Amex options upon the Amex's reopening to be consistent with the Act. As noted above, the Phlx listed the non-Phlx Amex options as a temporary measure to help address the emergency situation that arose from Amex's inability to reopen its New York facility following the attacks on, and resulting collapse of, the World Trade Center.¹⁵

The Commission finds good cause for approving the proposed rule change prior to the thirtieth day after the date

¹³ In approving the proposal, the Commission has considered its impact on efficiency, competition, and capital formation. 15 U.S.C. 78c(f).

¹⁴ 15 U.S.C. 78f(b)(5).

¹⁵ The Commission notes that this temporary rule does not restrict Phlx's ability to list non-Phlx Amex options at any time. In the Commission's view, the temporary Phlx rule requiring termination of trading of non-Phlx Amex options as of the Termination Time is appropriate in light of the emergency situation that necessitated the temporary listing of these options on the Phlx and, under these circumstances, is consistent with Rule 19c-5 under the Exchange Act. 17 CFR 240.19c-5.

of publication of the notice of filing in the **Federal Register**. The Commission believes that it is necessary to approve the proposed rule change on an accelerated basis to further facilitate the Temporary Arrangement.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,¹⁶ that the proposed rule changes (SR-Phlx-2001-91) is hereby approved on an accelerated basis.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹⁷

Deputy Secretary.

SUPPLEMENTARY INFORMATION:

A. General

The Computer Matching and Privacy Protection Act of 1998 (Pub. L. 100-503), amended the Privacy Act (5 U.S.C. 552a) by describing the manner in

which computer matching involving records of Federal and State agencies could be performed and adding certain protections for individuals applying for and receiving Federal benefits. Section 7201 of the Omnibus Budget Reconciliation Act of 1990 (Pub. L. 101-508) further amended the Privacy Act regarding protections for such individuals. The Privacy Act, as amended, regulates the use of computer matching by Federal agencies when records in a system of records are matched with other Federal, State or local government records. Among other things, it requires Federal agencies involved in computer matching programs to:

- (1) Negotiate written agreements with the other agency or agencies participating in the matching programs;
- (2) Obtain the Data Integrity Board's approval of the match agreements.
- (3) Furnish detailed reports about matching programs to Congress and OMB;
- (4) Notify applicants and beneficiaries that their records are subject to matching; and
- (5) Verify match findings before reducing, suspending, terminating or denying an individual's benefits or payments.

B. SSA Computer Matches Subject to the Privacy Act

We have taken action to ensure that all of SSA's computer matching programs comply with the requirements of the Privacy Act, as amended.

Dated: September 28, 2001.

Glenna Donnelly,

Acting Deputy Commissioner for Disability and Income Security Programs.

Notice of Computer Matching Program, Social Security Administration (SSA) with the Immigration and Naturalization Service (INS)

Participating Agencies

SSA and INS.

Purpose of the Matching Program

The purpose of this matching program is to establish conditions under which INS agrees to the disclosure of information regarding certain aliens who may, as a result of their current and planned absences from the United States, be subject to nonpayment of benefits in programs administered by SSA. The disclosure will provide SSA with information useful in determining claim and benefit status under both title II and title XVI of the Social Security Act governing Social Security Retirement, Survivors and Disability Insurance benefits, and Supplemental

Security Income, as certain persons who are outside the United States or similarly lack appropriate statutorily specified residency and citizenship/alienage status, may not be paid benefits under specific statutory provisions of those titles.

Authority for Conducting the Match:

This matching operation is carried out under the authority of sections 202(n), 1611(f), 1614(a)(1), 1631(e)(1)(B) of the Social Security Act, 42 U.S.C. 402(n), 1382(f), 1382c(a)(1), 1383(e)(1)(B), 1383(f) and 8 U.S.C. § 1611 and 1612; and section 237(a) of the Immigration and Nationality Act.

Categories of Records and Individuals Covered by The Match:

INS will disclose to SSA two data files as described below:

1. Aliens Who Leave the United States Voluntarily

INS data on aliens leaving the United States voluntarily from INS's computer linked information management system will be matched with SSA's Master Files of Social Security Number Holders and SSN Applications (Numident Alpha-Index) (SSA/OSR 60-0058). SSA will next match records of persons whose SSNs are verified against SSA's SSR system, (SSA OSR 60-0103), in order to identify aliens potentially subject to suspension of SSI monthly SSI benefit payments under title XVI of the Act due to absence from the United States of 30 consecutive days or more.

2. Aliens Who Are Deported From the United States

INS will provide SSA with a file drawn from the INS Deportable Alien Control System (DACS) including the SSNs (if available) of aliens who have been deported from the United States under specified provisions as described in 202(n)(1) of the Social Security Act, and who, therefore, may be subject to nonpayment of social security benefits under title II of the Social Security Act (in some instances along with their dependents or survivors who are outside of the United States.) This deportee file will also contain records of individuals who may be ineligible for SSI benefits under title XVI of the Social Security Act as a result of their status as deportees given certain residency and/or alien citizenship requirements for eligibility regarding that title. SSA will match the records provided by INS against SSA's Master Files of Social Security Numbers and SSN Applications (SSA/OSR 60-0058); the Master Beneficiary Record (MBR) (SSA/

OSR 60-0090); and the SSR (SSA/OSR 60-0103).

Inclusive Dates of the Match:

The matching agreement for this program shall become effective no sooner than 40 days after notice of the matching program is sent to Congress and the Office of Management and Budget (OMB) or 30 days after publication of this notice in the **Federal Register** whichever is later. The matching program will continue for 18 months from the effective date and may be extended for an additional 12 months thereafter, if certain conditions are met.
