

| Number of respondents annually | Number of responses per respondent | Average burden hours per response | Total annual burden hours |
|--------------------------------|------------------------------------|-----------------------------------|---------------------------|
| (1)                            | (2)                                | (3)                               | (1)×(2)×(3)               |
| 5                              | 1                                  | 40                                | 200                       |

The estimated total cost to respondents is \$33,716 (200 hours divided by 2,080 hours per year per employee times \$117,041 per year per average employee = \$11,254). The cost per respondent is \$2,250.

The reporting burden includes the total time, effort, or financial resources expended to generate, maintain, retain, disclose, or provide the information including: (1) Reviewing instructions; (2) developing, acquiring, installing, and utilizing technology and systems for the purposes of collecting, validating, verifying, processing, maintaining, disclosing and providing information; (3) adjusting the existing ways to comply with any previously applicable instructions and requirements; (4) training personnel to respond to a collection of information; (5) searching data sources; (6) completing and reviewing the collection of information; and (7) transmitting, or otherwise disclosing the information.

The estimate of cost for respondents is based upon salaries for professional and clerical support, as well as direct and indirect overhead costs. Direct costs include all costs directly attributable to providing this information, such as administrative costs and the cost for information technology. Indirect or overhead costs are costs incurred by an organization in support of its mission. These costs apply to activities which benefit the whole organization rather than any one particular function or activity.

Comments are invited on: (1) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology

*e.g.* permitting electronic submission of responses.

#### **Calpine Eastern Corporation; Mirant Americas Energy Marketing, L.P.; Mirant New England, LLC; Mirant Kendall, LLC; and Mirant Canal, LLC v. ISO New England, Inc.; Notice of Complaint**

October 2, 2001.

Take notice that on September 28, 2001, Calpine Eastern Corporation, Mirant Americas Energy Marketing, L.P., Mirant New England, LLC, Mirant Kendall, LLC, and Mirant Canal, LLC (collectively, the Joint Complainants) tendered for filing a complaint pursuant to Sections 206 and 306 of the Federal Power Act against ISO New England Inc. ("ISO-NE") with respect to its unilateral modification of Market Rule 5 and Appendix 5-C of the New England Power Pool (NEPOOL) FERC Electric Rate Schedule No. 6, through which ISO-NE has excluded external energy contracts from its calculation of the Energy Clearing Price since September 1, 2001.

The Joint Complainants have served copies of the complaint on ISO-NE and the NEPOOL.

Any person desiring to be heard or to protest this filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). All such motions or protests must be filed on or before October 18, 2001. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Answers to the complaint shall also be due on or before October

18, 2001. Copies of this filing are on file with the Commission and are available for public inspection. #### **Colorado Interstate Gas Company; Notice of Motion To Place Tariff Sheets Into Effect**

October 2, 2001.

Take notice that on September 27, 2001, Colorado Interstate Gas Company (CIG) tendered for filing as part of its FERC Gas Tariff, First Revised Volume No. 1, the tariff sheets listed in Appendices A, B and C attached to the filing to become effective October 1, 2001.

CIG states that on March 30, 2001 at Docket No. RP01-350-000, it filed with the Commission a notice of change in rates for natural gas transportation service. By order issued April 25, 2001, the Commission accepted the tariff sheets, suspended their effectiveness for five months to become effective October 1, 2001 subject to refund and conditions, and established hearing procedures and a technical conference.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed on or before October 9, 2001. Protests will be considered by the Commission in determining the appropriate action to be

taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection. #### Dominion Transmission, Inc.; Notice of Compliance Filing

October 2, 2001.

Take notice that on September 27, 2001, Dominion Transmission, Inc. (DTI) tendered for filing to be part of its FERC Gas Tariff, Third Revised Volume No. 1, the revised tariff sheets listed below, in order to implement the "Order Conditionally Accepting Compliance Filing" issued in the captioned proceedings on September 12, 2001.

First Revised Sheet No. 1185  
First Revised Sheet No. 1502

As described in DTI's filing, these two tariff sheets are required to comply with the conditions imposed on DTI's July 31, 2001 compliance filing in these proceedings. In addition, DTI submits a motion to implement effective on September 1, 2001, all of the tariff sheets included in that compliance filing, which were listed on Appendix A of that filing and are repeated in the Appendix of this filing, with one change: the inclusion of revised sheet No. 1502. DTI proposes an effective date of November 1, 2001, for new First Revised Sheet No. 1185: a sheet that was not modified in DTI's previous compliance filing. That sheet implements the Commission's refined discounting policy, as required by the Commission.

DTI states that copies of its filing have been served on parties on the service list in these proceedings.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection. #### Dominion Transmission, Inc.; Notice of Errata to Compliance Filing

October 2, 2001.

Take notice that on September 27, 2001, Dominion Transmission Inc. (DTI), tendered for filing as part of its FERC Gas Tariff, Third Revised Volume No. 1, the following revised tariff sheet: Sixth Revised Sheet No. 33.

DTI states that the purpose of this filing is to correct a pagination error in DTI's September 21, 2001, filing. As with the original filing, DTI requests an effective date of November 1, 2001, for the revised tariff sheet.

DTI states that copies of this filing are being served upon DTI's customers and interested state commissions and to the parties to the proceeding.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed in accordance with Section 154.210 of the Commission's
