*Proposed Project:* Native Hawaiian Health Scholarship Program.

*Evaluation:* Surveys of Current Scholars, Alumni Scholars, and Site Administrators (NEW).

The Bureau of Primary Health Care (BPHC), Health Resources and Services Administration (HRSA), is planning to conduct mail surveys of the Native Hawaiian Health Scholarship Program (NHHSP). The NHHSP provides Federal financial support for Native Hawaiian students of health professions who are needed to serve Native Hawaiian people in the State of Hawaii. The purpose of

the program is to increase the supply of health professionals serving Native Hawaiian people in Hawaii. The program provides assistance to Native Hawaiians for training in health professions in exchange for service in a federally designated health professional shortage area in Hawaii.

The purpose of these surveys is to determine the effectiveness of the NHHSP in various phases of operation: placement, service, and retention. The project also aims to evaluate the impact of the NHHSP providers on the site they serve and evaluate the NHHSP scholars' career trajectories. Data from these

surveys will provide information about the sociodemographic characteristics of the scholars, health care services provided, reasons for seeking scholarship, and satisfaction with experience. Survey questions include professional employment history, site characteristics, practice setting, compensation and benefits, as well as student and mentor experiences. These data will be useful to the program and will enable HRSA to provide data required by Congress under the Government Performance and Results Act of 1993.

The estimated burden is as follows:

Survey	Number of respondents	Respondents per respondent	Hours per response	Total burden hours
Current scholars .....	73	1	1	73
Alumni scholars .....	25	1	1	25
Site administrators .....	40	1	1	40
Total .....	138	.....	.....	138

Send comments to Susan G. Queen, Ph.D., HRSA Reports Clearance Officer, Room 14-22, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857. Written comments should be received within 60 days of this notice.

**SUPPLEMENTARY INFORMATION:** The Department will submit the proposed information collection to OMB for review, as required by the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35, as amended).

The Notice is soliciting comments from members of the public and affecting agencies concerning the proposed collection of information to: (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information; (3) Enhance the quality, utility, and clarity of the information to be collected; and (4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated collection techniques or other forms of information technology,

e.g., permitting electronic submission of responses.

The Department of Housing and Urban Development (HUD) will submit to OMB the information collection requirements for the HOME Program, previously approved under OMB Control Numbers 2506-0171.

The HOME Investment Partnerships Act (Title II of the Cranston-Gonzalez National Affordable Housing Act) was signed into law on November 28, 1990 (Pub. L. 101-625) and created the HOME Program to expand the supply of affordable housing. Interim regulations were first published for the program on December 16, 1991 and this and subsequent interim rules were codified at 24 CFR part 92. Paperwork requirements for these rules were approved under OMB Control Number 2501-0013. On September 16, 1996, HUD published a final rule for the HOME Program. On November 25, 1998, previous paperwork approvals for the HOME Program were combined under OMB Control Number 2506-0171.

*Title of proposal:* HOME Investment Partnerships Program.

*OMB Control Number, if applicable:* 2506-0171.

*Description of the need for the information and proposed use:* The HOME statute and related authorities impose a significant number of data collection and reporting requirements on the Department and on HOME participating jurisdictions. This information is collected: (1) To assist HOME participating jurisdictions in managing their programs; (2) to track performance of participating

jurisdictions in meeting fund commitment and expenditure deadlines; (3) to permit HUD to determine whether each PJ meets the HOME statutory income targeting and affordability requirements; and (4) to permit HUD to determine compliance with other statutory and regulatory program requirements, e.g., requirements relating to match, affirmative marketing, lead-based paint, and displacement and relocation.

The recordkeeping and reporting burden hours for each individual respondent contained herein are largely unchanged from the previous approvals. The most significant change is in the total number of burden hours for both recordkeeping and reporting, brought

about by the substantial increase in the number of program participants since the last HOME paperwork submission in 1998. The number of participating jurisdictions has increased from 576 in 1998 to 594 in 2001. During this period, the number of Community Housing Development Organizations increased from 2,732 to 4,171 and the number of State recipients increased from 1,555 to 1,902. Because so many more organizations are currently participating in the HOME Program than were participating in the first years of the program, the total number of burden hours has increased substantially despite the fact that the burden per respondent has dropped slightly.

Another change in the earlier paperwork approval includes the elimination of the HOME Cash and Management Information System (CMIS), replaced by the paperless Integrated Disbursement and Information System (IDIS). Some of the hours of response formerly required by CMIS were transferred into IDIS.

*Agency form numbers:* HUD-40093; 40107, and 40107-A.

*Title of Proposal:* Admission to, and Occupancy of Public Housing: Admission and Tenant Selection Policies, Verification, Notification, Preference, Waiting List, Exemption of Police Officers.

*OMB Approval Number:* 2577-0220.

*Numbers: Form:* None.

*Description of the Need for the Information and Its Proposed Use:* The Statue requires HUD to ensure the low-income character of public housing projects and to assure that sound management practices will be followed in the operation of the project. Public Housing Agencies (PHAs) enter into an Annual Contribution Contract (ACC) with HUD to assist low-income tenants. HUD regulations, Part 960, provide policies and procedures for PHAs to administer the low-income public housing program for admission and occupancy. PHAs must develop and keep on file the admission and occupancy policies including the plan for eligibility of police officers, which is approved by HUD. PHA compliance will support the stature; HUD can ensure that the low-income character of the project and that sound management practices will be followed.

*Respondents:* Individuals or households, State, Local or Tribal Government.

*Frequency of Submission:* Other for duration of PHA operations.
