SUPPLEMENTARY INFORMATION:

By Public Notice dated September 17, 2001, we initiated a cost review proceeding to determine the appropriate residential and single-line business subscriber line charge (SLC) caps for price cap local exchange carriers (LECs). On October 3, 2001, several price cap LECs filed a petition requesting an extension of 30 days for the filing of

their cost submissions. The price cap LECs request additional time due to the size and complexity of the task of compiling cost submission information. We agree that a limited extension is warranted. Price cap LECs must now file their cost submissions no later than November 16, 2001. We also extend the dates for filing comments and reply comments on the cost submissions. Comments will be due no later than December 17, 2001, and reply comments are due no later than January 9, 2002. When filing cost information and comments, parties should reference CC Docket Nos. 96-262 and 94-1.

Persons making oral *ex parte* presentations are reminded that memoranda summarizing the presentations must contain summaries of the substance of the presentations and not merely a listing of the subjects discussed. More than a one or two sentence description of the views and arguments presented is generally required. See 47 CFR 1.1206(b). Other rules pertaining to oral and written *ex parte* presentations in permit-but-disclose proceedings are set forth in section 1.1206(b) of the Commission's rules, 47 CFR 1.1206(b).
