

FEDERAL COMMUNICATIONS COMMISSION**Notice of Public Information Collection(s) Being Reviewed by the Federal Communications Commission**

October 10, 2001.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following information collection(s), as required by the Paperwork Reduction Act of 1995, Public Law 104-13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number. Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

DATES: Written comments should be submitted on or before November 16, 2001. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all comments to Judy Boley, Federal Communications Commission, Room 1-C804, 445 12th Street, SW, DC 20554 or via the Internet to jboley@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collection(s), contact Judy Boley at 202-418-0214 or via the Internet at jboley@fcc.gov.

SUPPLEMENTARY INFORMATION:

OMB Control No.:—3060-0056.

Title: Part 68—Connection of Terminal Equipment to the Telephone Network.

Form No.: FCC Form 730.

Type of Review: Extension of a currently approved collection.

Respondents: Individuals or households, business or other for-profit.

Number of Respondents: 54,369.

Estimated Time Per Response: .10–24 hours.

Frequency of Response: On occasion reporting requirement, recordkeeping requirement and third party disclosure requirement.

Total Annual Burden: 117,959 hours.

Total Annual Cost: \$2,705,000.

Needs and Uses: The purpose of 47 CFR part 68 is to protect the network from certain types of harm and interference to other subscribers. To ensure that consumers, providers of telecommunications, the Administrative Council, TCB's, and the Commission are able to trace products to the party responsible for placing terminal equipment on the market, it is essential to require manufacturers and suppliers to provide the information required by Part 68.

Federal Communications Commission.

Magalie Roman Salas,

Secretary.
