Preliminary Determination

We preliminarily determine that live processed blue mussels from Canada are being sold, or are likely to be sold, in the United States at less than fair value (LTFV), as provided in section 733 of the Act. The estimated margins of sales at LTFV are shown in the *Suspension of Liquidation* section of this notice.

Case History

This investigation was initiated on April 6, 2001.¹ See *Notice of Initiation of Antidumping Investigation: Live Processed Blue Mussels From Canada*, 66 FR 18227 (April 6, 2001) (*Initiation Notice*). Since the initiation of the investigation, the following events have occurred.

On April 25, 2001, the United States International Trade Commission (ITC) preliminarily determined that there is a reasonable indication that an industry in the United States is materially injured or threatened with material injury by reason of imports from Canada of mussels. See *Mussels From Canada*, 66 FR 85 (May 2, 2001).

On May 8, 2001, in response to comments from interested parties pertaining to the scope of the investigation, the Department issued a memorandum outlining the modifications to the scope language. See Memorandum to Tom Futtner "Live Processed Blue Mussels from Canada: Modification to the Scope of the Subject Merchandise Following Comments from Interested Parties" (May 8, 2001) on file in the Central Records Unit (CRU), room B-099 of the main Department of Commerce Building.

Also on May 8, 2001, the Department issued Section A of the antidumping questionnaire to Confederation Cove Mussel Co., Ltd. (Confederation Cove), PEI Mussel King, Inc. (Mussel King), Prince Edward Aqua Farms, Inc., (Prince Edward), and Atlantic Aqua Farms, Inc., (Atlantic Aqua). On May 18, 2001, the Department issued Sections B and C of the antidumping questionnaire to the four respondents.

On June 29, 2001, the petitioner requested a postponement of the preliminary determination in this investigation. On July 30, 2001, the Department published a **Federal Register** notice postponing the deadline for the preliminary determination until October 9, 2001. See *Live Processed Blue Mussels From Canada: Extension of Time Limit for Preliminary Determination of Antidumping Duty Investigation*, 66 FR 146 (July 30, 2001). Although the deadline for this preliminary determination was originally October 9, 2001, in light of the events of September 11, 2001 and the subsequent closure of the Federal Government for reasons of security, the time frame for issuing this preliminary determination has been extended by two days.

¹ The petitioner in this investigation is Great Eastern Mussel Farms, Inc.
