The General Services Administration is requesting the Office of Management and Budget (OMB) to review and approve information collection, 3090-0080, concerning Contract Financing. This clause at 552.232-79 in the GSA Acquisition Manual requires building services contractors to submit a release of claims before final payment is made. GSA Form 1142, Release of Claims, is the vehicle for this release and standardizes information, that eliminates the necessity for contractors to prepare their own release of claims.
