

SUPPLEMENTARY INFORMATION: On April 13, May 11, July 27, August 10 and August 31, 2001, the Committee for Purchase From People Who Are Blind or Severely Disabled published notices (66 FR 19136, 24100, 39142, 42198 and 45960) of proposed additions to the Procurement List. After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the commodities and services and impact of the additions on the current or most recent contractors, the Committee has determined that the commodities and services listed below are suitable for procurement by the Federal Government under 41 U.S.C. 46-48c and 41 CFR 51-2.4.

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the commodities and services to the Government.

2. The action will not have a severe economic impact on current contractors for the commodities and services.

3. The action will result in authorizing small entities to furnish the commodities and services to the Government.

4. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46-48c) in connection with the commodities and services proposed for addition to the Procurement List.

Accordingly, the following commodities and services are added to the Procurement List:

Cold-Rolled and Corrosion Resistant Carbon Steel Flat Products From Korea: Extension of Time Limits for the Final Results of Antidumping Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of extension of time limits for the final results of antidumping duty administrative review.

EFFECTIVE DATE: October 19, 2001.

FOR FURTHER INFORMATION CONTACT: James Doyle at (202) 482-0159; Import Administration, International Trade Administration, U.S. Department of

Commerce, 14th Street and Constitution Avenue NW, Washington, DC 20230.

Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department of Commerce ("the Department") to issue the final results of an antidumping duty investigation within 120 days of the date the preliminary results are issued. However, if the Department concludes that it is not practicable to issue the results by the original deadline, it may extend the 120-day period to 180 days.

Background

On October 2, 2000, the Department initiated the above-referenced review. See *Notice of Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 65 FR 58733 (October 2, 2000). The preliminary results were published in the **Federal Register** on September 11, 2001. See *Certain Cold-Rolled and Corrosion-Resistant Carbon Steel Flat Products From the Republic of Korea: Notice of Preliminary Results of Antidumping Duty Administrative Review ("Preliminary Results")*, 66 FR 47163 (September 11, 2001). The current due date for the final results is January 9, 2001.

Extension of Time Limits for the Final Results

Due to the complexity of issues involved in these cases, such as complicated cost accounting, downstream home market affiliated parties, and the addition of a new respondent in this seventh administrative review, it is not practicable to complete these reviews within the original time limit. Therefore, the Department has postponed the deadline for issuing the final results until March 11, 2002, which is 180 days after publication of the *Preliminary Results*.

Dated: October 12, 2001.

Richard O. Weible,

Acting Deputy Assistant Secretary, AD/CVD Enforcement Group III.

Notice of Amended Preliminary Determination of Sales at Less Than Fair Value and Postponement of Final Determination: Greenhouse Tomatoes From Canada

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of amended preliminary determination of sales at less than fair value and postponement of final determination.

SUMMARY: The Department of Commerce is amending the preliminary determination of sales at less than fair value in the antidumping duty investigation of greenhouse tomatoes from Canada to reflect the correction of a significant ministerial error made in the dumping-margin calculation regarding BC Hot House Foods, Inc., and is postponing the final determination.

EFFECTIVE DATE: October 19, 2001.

FOR FURTHER INFORMATION CONTACT: Mark Ross or Thomas Schauer, AD/CVD Enforcement 3, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone; (202) 482-4794 or (202) 482-0410, respectively.

The Applicable Statute and Regulations

Unless otherwise indicated, all citations to the statute are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Tariff Act of 1930 (the Act) by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all citations to the Department of Commerce's (the Department's) regulations refer to 19 CFR part 351 (April 2000).

Significant Ministerial Error

The Department of Commerce (the Department) is amending the preliminary determination of sales at less than fair value in the antidumping duty investigation of greenhouse tomatoes from Canada to reflect the correction of a significant ministerial error made in the dumping-margin calculation regarding BC Hot House Foods, Inc., in that determination, pursuant to 19 CFR 351.224(g)(1) and (g)(2). A ministerial error is defined as an error in addition, subtraction, or other arithmetic function, clerical error resulting from inaccurate copying,

duplication, or the like, and any other similar type of unintentional error which the Secretary considers ministerial. See 19 CFR 351.224(f). A significant ministerial error is defined as an error, the correction of which, singly or in combination with other errors, would result in (1) a change of at least five absolute percentage points in, but not less than 25 percent of, the weighted-average dumping margin calculated in the original (erroneous) preliminary determination; or (2) a difference between a weighted-average dumping margin of zero or *de minimis* and a weighted-average dumping margin of greater than *de minimis* or vice versa. See 19 CFR 351.224(g). We are publishing this amendment to the preliminary determination pursuant to 19 CFR 351.224(e). As a result of this amended preliminary determination, we have revised the weighted-average dumping margin for BC Hot House Foods, Inc.
