

80% owned by UtiliCorp United Inc. ("UtiliCorp") and 20% owned by the public. AEM is currently authorized to do business in all states in which it operates. AEM does not own or control any electric generation or transmission facilities nor does it have a franchised service area. UtiliCorp owns and operates transmission facilities in the United States through its operating divisions. AEM is engaged in the marketing of power as both a broker and as a marketer of electric power at wholesale. AEM purchases the power that it sells from cogeneration facilities, federal power marketing agencies, electric utilities and exempt wholesale generators.

ILA is a Delaware corporation with its principal place of business in Kansas City, Missouri. AEM is a subsidiary of ILA. ILA is 80% owned by UtiliCorp and 20% owned by the public. ILA is restructuring its trade entities. AEM will be liquidated and merged into ILA. Upon completion of the liquidation and merger, ILA will engage in power marketing activities.

In FE Docket No. EA-254, ILA proposes to export electric energy to Mexico and to arrange for the delivery of those exports to Mexico over the international transmission facilities owned by San Diego Gas and Electric Company, El Paso Electric Company, Central Power and Light Company, and Comision Federal de Electricidad, the national utility of Mexico. In FE Docket No. EA-255, ILA proposes to export electric energy to Canada and to arrange for the delivery of those exports to Canada over the international transmission facilities owned by Basin Electric Power Cooperative, Bonneville Power Administration, Citizens Utilities, Eastern Maine Electric Cooperative, International Transmission Company, Joint Owners of the Highgate Project, Long Sault, Inc., Maine Electric Power Company, Maine Public Service Company, Minnesota Power, Inc., Minnkota Power Cooperative, New York Power Authority, Niagara Mohawk Power Corporation, Northern States Power, and Vermont Electric Transmission Company.

The construction of each of the international transmission facilities to be utilized by ILA has previously been authorized by a Presidential permit issued pursuant to Executive Order 10485, as amended.

Procedural Matters: Any person desiring to become a party to this proceeding or to be heard by filing comments or protests to these applications should file a petition to intervene, comment or protest at the address provided above in accordance

with §§ 385.211 or 385.214 of the FERC's Rules of Practice and Procedures (18 CFR 385.211, 385.214). Fifteen copies of each petition and protest should be filed with the DOE on or before the date listed above.

Comments on the ILA applications to export electric energy to Mexico and/or Canada should be clearly marked with Docket EA-254 and/or Docket EA-255, respectively. Additional copies are to be filed directly with Kevin Fox, Senior Vice President and General Manager, Aquila Energy Marketing Corporation, 1100 Walnut Street, Suite 3300, Kansas City, Missouri 64106 and Kathryn A. Flaherty, Blackwell Sanders Peper Martin, 13710 FNB Parkway, Suite 200, Omaha, Nebraska 68154.

A final decision will be made on these applications after the environmental impacts have been evaluated pursuant to the National Environmental Policy Act of 1969, and a determination is made by the DOE that the proposed action will not adversely impact on the reliability of the U.S. electric power supply system.

Copies of these applications will be made available, upon request, for public inspection and copying at the address provided above or by accessing the Fossil Energy homepage at <http://www.fe.doe.gov>. Upon reaching the Fossil Energy Home page, select then "Electricity Regulation," and then "Pending Proceedings" from the options menu.

Issued in Washington, DC, on October 16, 2001.

Anthony J. Como,

Deputy Director, Electric Power Regulation, Office of Coal & Power Import/Export, Office of Coal & Power Systems, Office of Fossil Energy.

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket No. ER01-2756-000]

Camden Cogen, L.P.; Notice of Issuance of Order

October 16, 2001.

Camden Cogen, L.P. (Camden Cogen) submitted for filing a rate schedule under which Camden Cogen will engage in wholesale electric power and energy transactions at market-based rates. Camden Cogen also requested waiver of various Commission regulations. In particular, Camden Cogen requested that the Commission grant blanket approval under 18 CFR part 34 of all

future issuances of securities and assumptions of liability by Camden Cogen.

On September 13, 2001, pursuant to delegated authority, the Director, OMTR/Tariffs and Rates-East, granted requests for blanket approval under Part 34, subject to the following:

Within thirty days of the date of the order, any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by Camden Cogen should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214).

Absent a request to be heard in opposition within this period, Camden Cogen is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of the applicant, and compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of Camden Cogen's issuances of securities or assumptions of liability.

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is October 30, 2001.

Copies of the full text of the Order are available from the Commission's Public Reference Branch, 888 First Street, NE., Washington, DC 20426. The Order may also be viewed on the Internet at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance). Comments, protests, and interventions may be filed electronically via the internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's web site at <http://www.ferc.fed.us/efi/doorbell.htm>.

David P. Boergers,

Secretary.
