BILLING CODE 7020-02-M**DEPARTMENT OF JUSTICE****Office of Juvenile Justice and Delinquency Prevention****[OJP(OJJDP)-1335]****Program Announcement for Nonparticipating State Program, South Dakota****AGENCY:** Office of Justice Programs, Office of Juvenile Justice and Delinquency Prevention, Justice.**ACTION:** Notice of issuance of competitive program announcement.

SUMMARY: Notice is hereby given that the Office of Juvenile Justice and Delinquency Prevention (OJJDP), pursuant to the provisions of section 223(d) of the Juvenile Justice and Delinquency Prevention Act of 1974, as amended, 42 U.S.C. 5601 *et seq.* (hereinafter the JJDP Act), is issuing a program announcement and solicitation for applications from nonprofit agencies operating statewide in the State of South Dakota. Because South Dakota does not participate in the JJDP Act, the State is not eligible to receive its fiscal year (FY) 1999 and FY 2000 Formula Grants program allocations under Part B of Title II of the JJDP Act, which total \$1,349,000 and which are available to be competitively awarded through the Nonparticipating State Program. Eligible applicants are limited to private nonprofit agencies operating statewide that propose innovative service delivery programs designed to provide placement alternatives to existing secure confinement placements that are not consistent with the core protections of the JJDP Act. Applicants must currently be operating in the State, and their proposed programs must directly impact

the core protections of the JJDP Act. Such agencies are eligible to receive assistance awards to be expended over a 2-year period. Of the total amount available, a minimum of \$1,079,200 must be used by the applicant to contract with local public or private nonprofit agencies for local community-based placement alternatives to adult jails and lockups for both delinquent and status offender populations, and up to \$269,800 may be retained by the applicant to manage the contracts and provide technical assistance to and coordination among the local contractors funded under the Nonparticipating State Program.

The recipient will be required to contract with Indian tribes, at a minimum, the same amount that the State of South Dakota would have been required to pass-through to tribes under section 223(a)(5)(C) of the JJDP Act (\$69,995). The financial assistance provided under this program requires no matching contribution in accordance with Part C of Title II of the JJDP Act.

DATES: Applications must be received by November 21, 2001.

ADDRESSES: All application packages should be mailed or delivered to the State and Tribal Assistance Division, Office of Juvenile Justice and Delinquency Prevention, 810 Seventh Street, NW., Washington, DC 20531; 202-307-5924. (Please note that this address is different from the one listed in the 2001 *OJJDP Application Kit*.) Faxed or e-mailed applications will not be accepted. Interested applicants can obtain the *OJJDP Application Kit* from the Juvenile Justice Clearinghouse at 800-638-8736. The *Kit* is also available on OJJDP's Web site at <http://www.ncjrs.org/pdffiles1/ojjdp/s1000480.pdf>.

SUPPLEMENTARY INFORMATION:**Purpose**

The JJDP Act, as amended through 1992, establishes four core protections. The core protections are the deinstitutionalization of status offenders, removal of juveniles from adult jails and lockups, separation of juveniles and adults in institutions, and reduction of disproportionate minority confinement, where it exists. Meeting the core protections is essential to creating a fair and consistent juvenile
