

Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

Federalism

We have analyzed this rule under Executive Order 13132 and have determined that this rule does not have implications for federalism under that Order.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) governs the issuance of Federal regulations that require unfunded mandates. An unfunded mandate is a regulation that requires a State, local, or tribal government or the private sector to incur direct costs without the Federal Government's having first provided the funds to pay those unfunded mandate costs. This rule will not impose an unfunded mandate.

Taking of Private Property

This rule will not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not concern an environmental risk to health or risk to safety that may disproportionately affect children.

Environment

The Coast Guard considered the environmental impact of this rule and concluded that under figure 2–1, paragraph (32)(e) of Commandant Instruction M16475.1C, this rule is categorically excluded from further environmental documentation because promulgation of changes to drawbridge regulations have been found to not have a significant effect on the environment. A written "Categorical Exclusion Determination" is not required for this final rule.

Indian Tribal Governments

This final rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a "significant energy action" under that order because it is not a "significant regulatory action" under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. It has not been designated by the Administrator of the Office of Information and Regulatory Affairs as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

RIN 2115–AA97

Security Zone; Sault Locks, St. Mary's River, Sault Ste. Marie, MI

AGENCY: Coast Guard, DOT.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a security zone around the Sault Locks in Sault Ste. Marie, Michigan. This regulation is necessary to provide additional protection for the locks due to terrorist attacks that occurred on September 11, 2001. The security zone is intended to restrict vessel traffic movement through and around the Sault Locks.

DATES: This rule is effective from 1 p.m. October 11, 2001 until 1 p.m. June 15, 2002.

ADDRESSES: Comments and material received from the public, as well as documents indicated in this preamble as being available in the docket, are part of docket [CGD09–01–140] and are available for inspection or copying at U.S. Coast Guard Marine Safety Office Sault Ste. Marie, 337 Water St., Sault Ste. Marie, MI 49783, between 7:30 a.m. and 4 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: LCDR Joe Cost, Chief, Coast Guard Marine Safety Office Sault Ste. Marie, MI, (906) 635–3220.

SUPPLEMENTARY INFORMATION:

Regulatory Information

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. The Coast Guard for good cause finds that, under 5 U.S.C. 553(b)(B) and (d)(3), notice and public comment on the rule before the effective date of the rule and advance publication are impracticable and contrary to public interest. Immediate action is necessary to ensure the safety of life, property, the environment, as well as safe passage for vessels transiting this area. The conduct of notice and comment rulemaking proceedings and compliance with advance notice requirements present significant public security and safety concerns that outweigh the public interest in compliance with these provisions. Public rulemaking proceedings and advance publication could provoke consequences that would pose a risk of harm to the public, military personnel, and law

enforcement personnel charged with enforcement of the security zone. This regulation is geographically limited so that it meets the needs of national security with a minimal burden on the public.

Background and Purpose

The security zone is established to provide additional protection of the locks in response to the September 11, 2001 terrorist attacks on the World Trade Center buildings in New York City and on the Pentagon in Arlington, Virginia. The security zone is intended to restrict vessel traffic movement through and around the Sault Locks. All persons and vessels shall comply with the instructions of the Captain of the Port Sault Ste. Marie or the designated on scene patrol personnel. Entry into, transiting, or anchoring within the security zone is prohibited unless authorized by the Captain of the Port Sault Ste. Marie or his designated on scene representative. The Captain of the Port Sault Ste. Marie may be contacted via the VTS at telephone number (906) 635-3232 or on VHF channel 12 (156.6 MHz) or VHF channel 14 (156.7 MHz).

Regulatory Evaluation

This temporary rule is not a significant regulatory action under section 3(f) of Executive Order 12866 and does not require an assessment of potential costs and benefits under section 6(a)(3) of that order. It has not been reviewed by the Office of Management and Budget under that order. It is not significant under the regulatory policies and procedures of the Department of Transportation (DOT) (44 FR 11040; February 26, 1979).

The security zone covers a vital portion of the St. Mary's River transited by commercial and recreational vessels and is being created to protect the Sault locks. The Coast Guard does foresee minor interruption to the passage of vessels through this area. While vessels will need authorization to transit the zone, the Coast Guard expects minimal interference with or delay in their passage.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) the Coast Guard considered whether this rule will have a significant impact on a substantial number of small businesses and not-for-profit organizations that are not dominant in their respective fields, and government jurisdictions with populations less than 50,000.

The Coast Guard certifies under section 605(b) that this temporary final rule will not have a significant

economic impact on a substantial number of small entities.

This rule will affect the following entities, some of which may be small entities: The owners or operators of vessels intending to transit the St. Mary's River up-river, between, and down-river of the Sault Locks immediately until terminated by COTP Sault Ste. Marie.

This security zone will not have a significant economic impact on a substantial number of small entities for the following reasons. Vessel traffic will be allowed to pass through the zone with the permission of the COTP or his designated on scene representative.

Assistance for Small Entities

Under section 213(a) of the small Business Regulatory Enforcement Fairness Act of 1996 (Public Law 104-121), we offer to assist small entities in understanding this rule so that they can better evaluate its effectiveness and participate in the rulemaking process. If your small business or organization is affected by this rule, and you have questions concerning its provisions or options for compliance, please contact the office listed in **ADDRESSES** in this preamble.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247).

Collection of Information

This rule contains no information collection requirements under the Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*).

Federalism

We have analyzed this rule under Executive Order 13132, Federalism, and have determined that this rule does not have implications for Federalism under that order.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) governs the issuance of Federal regulations that require unfunded mandates. An unfunded mandate is a regulation that requires a State, local, or tribal government or the private sector to incur direct costs without the Federal

Government's having first provided the funds to pay those unfunded mandate costs. This rule will not impose an unfunded mandate.

Taking of Private Property

This rule will not affect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

Environment

The Coast Guard considered the environmental impact of this regulation and concluded that, under figure 2-1, paragraph (34)(g) of Commandant Instruction M16475.1C, it is categorically excluded from further environmental documentation. A "Categorical Exclusion Determination" is available in the docket for inspection or copying where indicated under **ADDRESSES**.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 50 U.S.C. 191, 33 CFR 1.05-1(g), 6.04-1, 6.04-6, 160.5; 49 CFR 1.46.

2. A new temporary § 165.T09-118 is added to read as follows:

§ 165.T09-118 Security Zone; St. Mary's River and St. Mary's Falls Canal, Sault Ste. Marie, MI.

(a) *Location.* The following area is a security zone: beginning at a line drawn from 46° 29.94' N, 084° 20' W to 46°

30.21' N, 084° 20' W (these coordinates are on opposite sides of the St. Mary's River and east of the Sault Locks); proceeding in a westerly direction, encompassing all waters in the river along the St. Mary's River and St. Mary's Falls Canal past the Sault Locks, to a line drawn from 46°29.86' N, 084° 23' W to 46° 30.27' N, 084° 23' W (these coordinates are on opposite sides of the St. Mary's River, west of the Sault locks). These coordinates are based upon North American Datum 1983 (NAD 83).

(b) *Effective dates.* This section is effective from 1 p.m. October 11, 2001 until 1 p.m. June 15, 2002.

(c) *Regulations.* (1) In accordance with the general regulations in § 165.33 of this part, entry into this zone is prohibited unless authorized by the Coast Guard Captain of the Port, Sault Ste. Marie, Michigan. The general regulations of § 165.33 of this part apply.

(2) Persons desiring to transit the area of the security zone must first notify the Captain of the Port Sault Ste. Marie via the Vessel Traffic Service (VTS) at telephone number (906) 635-3232 or on VHF channel 12 (156.6 MHz) or VHF channel 14 (156.7 MHz) and receive permission to transit the area. Approval will be made on a case-by-case basis.

(3) All persons and vessels shall comply with the instructions of the Captain of the Port Sault Ste. Marie or the designated on-scene patrol personnel.

Dated: October 11, 2001.

C. S. Gordon,

Captain, U.S. Coast Guard, Captain of the Port Sault Ste. Marie, MI.

Approval and Promulgation of Air Quality Implementation Plans; Pennsylvania; Post 1996 Rate-of-Progress Plan and One-Hour Ozone Attainment Demonstration for the Philadelphia-Wilmington-Trenton Ozone Nonattainment Area

AGENCY: Environmental Protection Agency (EPA).

ACTION: Final rule.

SUMMARY: The EPA is approving the State Implementation Plans (SIPs) consisting of the Post 1996 rate-of-progress (ROP) plans and the one-hour ozone attainment demonstration for the Philadelphia-Wilmington-Trenton severe nonattainment area (the Philadelphia area). These control strategy plans were submitted by the Pennsylvania Department of Environmental Protection (PADEP). The measures that have been adopted by the Commonwealth which comprise the control strategies of the Post-1996 ROP plans and the one-hour ozone attainment demonstration have and will result in significant emission reductions of volatile organic compounds (VOCs) and oxides of nitrogen (NO_x) in the Philadelphia area. The intended effect of this action is to approve these SIP revisions as meeting the requirements of the Clean Air Act (CAA or the Act). The Philadelphia area is comprised of two counties in Delaware, one county in Maryland, seven counties in New Jersey, and five counties in Pennsylvania, namely Bucks, Chester, Delaware, Montgomery, and Philadelphia counties.

DATES: This final rule is effective on November 26, 2001.

ADDRESSES: Copies of the documents relevant to this action are available for public inspection during normal business hours at the Air Protection Division, U.S. Environmental Protection Agency, Region III, 1650 Arch Street, Philadelphia, Pennsylvania 19103; Pennsylvania Department of

Environmental Protection, Bureau of Air Quality, P.O. Box 8468, 400 Market Street, Harrisburg, Pennsylvania 17105.

SUPPLEMENTARY INFORMATION:

This **SUPPLEMENTARY INFORMATION** section is organized to address the following questions:

- A. What action is EPA taking in this final rulemaking?
- B. What previous action has been proposed on these SIP Revisions?
- C. What were the conditions for approval provided in the Notice of Proposed Rulemaking for the attainment demonstration?
- D. What amendments to the attainment demonstration SIP did Pennsylvania submit for the Philadelphia area since December 16, 1999?
- E. What did the Supplemental Notices of Proposed Rulemaking cover?
- F. When did EPA make a determination regarding the adequacy of the Motor Vehicle Emissions Budgets for the Philadelphia area?
- G. Upon what SIP elements did EPA need to take final action before or concurrently with full approval of the attainment demonstration could be granted?
- H. What measures are in the control strategy for the Post 1996 plan and the attainment demonstration?
- I. What are the approved transportation conformity budgets, and what effects does this action have on transportation planning?
- J. What happens to the approved 2005 budgets when States change their budgets using the MOBILE6 Model?
- K. What is the Status of Pennsylvania's New Source Review (SIP)?
- L. What comments were received on the proposed approvals and how has EPA responded to them?

A. What Action Is EPA Taking in This Final Rulemaking?

EPA is fully approving as meeting the requirements of section 182(c)(2) and (d) of the Act, the Post 1996 ROP plans and the one-hour attainment demonstration SIP, demonstrating attainment by November 2005, which were submitted by Pennsylvania for the Philadelphia area. The following tables identify submittal dates and amendment dates for the Post 1996 ROP plans and the attainment demonstration:

TABLE 1.—SUMMARY OF ATTAINMENT DEMONSTRATION SUBMITTAL DATES

	Date	Content
Initial submittal	April 30, 1998	Attainment demonstration.
Amendment	August 21, 1998	Supplement to the Attainment Demonstration for Regional Scale Modeling.
Amendment	February 25, 2000	Revised Motor Vehicle Emissions Budgets to Include Benefits from the National Low Emission Vehicle (NLEV) Program and Heavy Duty Diesel Engine (HDDE) Rule.
