## DEPARTMENT OF AGRICULTURE

### Forest Service

#### Tonto, Prescott, and Coconino National Forests

**AGENCY:** Forest Service, USDA.

**ACTION:** Notice of intent to developing a  
Comprehensive River Management Plan  
for the Verde Wild and Scenic River.

**SUMMARY:** The Tonto, Prescott, and  
Coconino National Forests are initiating  
the development of a Comprehensive  
River Management Plan for the Verde  
Wild and Scenic River. A portion of the  
Verde River was adopted into the Wild  
and Scenic River System by act of  
Congress in the Arizona Wilderness Act  
(Pub. L. 98-406) on August 28, 1984.

The Verde Wild and Scenic River is  
a 40.4 mile section (14.5 miles Scenic—  
upper section and 25.9 miles Wild—  
lower section) of the Verde River  
beginning near an area known as  
Beasley Flat (T.13N., R.5E., S.26) and  
ending at the mouth of Red Creek  
(T.11N., R.6E., S. 11 Gila and Salt River

Base Meridian). The land area  
comprising the river includes reserved  
public domain inside a one-quarter mile  
wide corridor on both sides of the  
centerline of the Verde River between  
the end points above.

**DATES:** Comments in response to this  
Notice of Intent concerning the scope of  
the analysis should be received in  
writing by December 28, 2001, at the  
address listed below.

**ADDRESSES:** Send written comments to  
USDA Forest Service, Tonto National  
Forest, ATTN: Carl Taylor, 2324 E.  
McDowell Road, Phoenix, Arizona  
85006.

*Responsible Official:* The Forest  
Supervisors for the Coconino, Prescott,  
and Tonto National Forests will be the  
responsible officials and will decide on  
the elements of a Comprehensive River  
Management Plan for the Verde Wild  
and Scenic River.

**FOR FURTHER INFORMATION CONTACT:** Carl  
Taylor, Tonto National Forest, 2324 E.  
McDowell Road, Phoenix, Arizona  
85006, (602) 225-5230.

**SUPPLEMENTARY INFORMATION:** The Verde  
Wild and Scenic River is part of a much  
larger complex watershed. The Wild  
and Scenic River segment itself is in the  
lower portions of the watershed and can  
be characterized as a rich riparian and  
aquatic zone surrounded by Upper  
Sonoran and Sonoran desert  
vegetation—desert shrub featuring  
pinyon and juniper interspersed with a  
few grasslands. I has many tributaries  
exhibiting very diverse characteristics  
and creating many broadly diverse  
habitats.

The outstandingly remarkable values  
for the Verde Wild and Scenic River are  
scenic, fish and wildlife, and historic  
and cultural. Additionally, although not  
classified as outstandingly remarkable  
values, the river also has geologic and  
recreational values. The Comprehensive  
River Management Plan will focus on  
protecting the river's free-flowing  
conditions and water quality in addition  
to its outstanding remarkable values.

The planning process involves a  
number of steps over the next 30  
months:

A. Publish Proposed Action for public  
review by the end of January 2002.

B. Release Draft Comprehensive River  
Management Plan and environmental  
document for public review by the end  
of June 2003.

C. Publish Final Comprehensive River  
Management Plan by March 2004. In  
addition to these planning steps, the  
Forest Service will also be providing 6-  
month progress reports to all who  
express an interest in being kept  
informed.

Comments received in response to  
this solicitation, including names and  
addresses of those who comment, will  
be considered part of the public record  
on this proposed action and will be  
available for public inspection.  
Comments submitted anonymously will  
be accepted and considered.  
Additionally, pursuant to 7 CFR 1.27(d),  
any person may request the agency to  
withhold a submission from the public  
record by showing how the Freedom of  
Information Act (FOIA) permits such  
confidentiality. Persons requesting such  
confidentiality should be aware that,  
under FOIA, confidentiality may be  
granted in only very limited  
circumstances, such as to protect trade  
secrets.

The Forest Service will inform the  
requester of the agency's decision  
regarding the request for confidentiality,  
and where the request is denied, the  
agency will return the submission and  
notify the requester that the comments  
may be resubmitted with or without  
name and address.

Dated: October 24, 2001.

## DEPARTMENT OF COMMERCE

### Bureau of Export Administration

#### Information Systems Technical Advisory Committee; Notice of Partially Closed Meeting

The Information System Technical  
Advisory Committee (ISTAC) will meet  
on November 14 & 15, 2001, 9 a.m., in  
the Herbert C. Hoover Building, Room  
3884, 14th Street between Pennsylvania  
Avenue and Constitution Avenue, NW.,  
Washington, DC. The ISTAC advises the  
Office of the Assistant Secretary for  
Export Administration on technical  
questions that affect the level of export  
controls applicable to information  
systems equipment and technology.

#### Agenda

*November 14*

Public Session

1. Opening remarks and  
introductions.

2. Comments or presentations from  
the public.

3. Membership coverage of Control  
List Categories 3 (electronics), 4  
(computers), and 5 (telecommunications  
and information security).

4. Intel IA64 Roadmap.
