In this third update report, the Commission will assess the economic effects of significant tariff and non-tariff U.S. import restraints on U.S. consumers, on the activities of U.S. firms, on the income and employment of U.S. workers, and on the net economic welfare of the United States. The assessment will not include import restraints resulting from final antidumping or countervailing duty

investigations, section 337, and 406 investigations, or section 301 actions.
