

included in the "aggregate investment" calculation required by rule 53 if they lead to EWG or FUCO investments and to the extent that they were financed by National.

National, Horizon or Intermediate Subsidiaries propose to acquire, directly or indirectly, the equity securities of one or more additional Intermediate Subsidiaries exclusively organized to acquire, finance and hold the securities of one or more existing or future Exempt Subsidiaries, Rule 58 Subsidiaries or Authorized Subsidiaries. Horizon and Intermediate Subsidiaries propose to provide administrative, operating, technical and management services ("Project Services") and sell goods to other Horizon subsidiaries to the extent necessary to manage National's investments in Exempt Subsidiaries, Rule 58 Subsidiaries and other Authorized Subsidiaries. Horizon and Intermediate Subsidiaries further propose, under certain circumstances, to provide Project Services and sell goods at fair market prices, under an exemption from the cost standard under section 13(b) of the Act and rules 90 and 91.⁸

Horizon and Intermediate Subsidiaries propose to provide guarantees and other forms of credit support ("Guarantees") with respect to obligations of any other Horizon nonutility subsidiary company in an aggregate principal or nominal amount not to exceed \$200 million at any one time outstanding, exclusive of any guarantees that are exempt under rules 45(b) and rule 52. The company providing any Guarantee may charge its

⁸ Those circumstances include instances in which the company receiving the goods or services is: (1) A FUCO or foreign EWG not deriving any income, directly or indirectly, from the generation, transmission or distribution of electric energy for sale within the United States; (2) an EWG selling electricity to nonassociate companies at market-based rates approved by the Federal Energy Regulatory Commission ("FERC"); (3) a "qualifying facility" under the Public Utility Regulatory Policies Act of 1978, as amended ("PURPA"), selling electricity to industrial or commercial customers for their own use at negotiated prices or to electric utility companies at their "avoided cost", as defined under PURPA; (4) a domestic EWG or "qualifying facility" that sells electricity to nonassociate companies at cost based rates approved by FERC or a state commission; and (5) a Rule 58 Subsidiary or any other Authorized Subsidiary that: (a) is partially owned, provided that the ultimate purchaser of the goods or services is not an associate public utility company or an associate company that primarily provides goods and services to associate public utility companies; (b) is engaged solely in the business of developing, owning, operating and/or providing goods and services to nonutility companies described in items (1) through (4), above; or (c) does not derive, directly or indirectly, any material part of its income from sources within the United States and is not a public utility company operating within the United States.

associate company a fee in an amount not exceeding the actual cost of the liquidity required to support the Guarantee. Guarantees supporting obligations of any Rule 58 Subsidiary shall be subject to rule 58(a)(1).

National, Horizon and Intermediate Subsidiaries propose to make loans to any other partially owned subsidiary of Horizon at interest rates and maturities designed to provide a return to the lending company of not less than its effective cost of capital. However, it is stated that no loans will be made to partially owned nonutility subsidiaries that sell goods and services to associate companies, except for those companies, enumerated above, to whom Horizon and Intermediate Subsidiaries propose to provide goods and services under a section 13(b) exemption to the "at cost" standard contained in rules 90 and 91.

National, Horizon and any Non-Exempt Subsidiaries request approval to reorganize the ownership structure and change the terms of the authorized stock capitalization of Horizon or any Non-Exempt Subsidiaries, without further Commission approval. In particular, National, Horizon or any Non-Exempt Subsidiary proposes to sell, contribute, or distribute by dividend the equity securities of one company to another. To the extent that these transactions are not exempt under the Act, Applicants propose to consolidate or reorganize, under any Intermediate Subsidiary, Horizon's ownership interests in existing and future nonutility subsidiaries. Further, Applicants request authorization for the purchasing company in a transaction structured as a sale of equity securities or assets to issue promissory notes evidencing all or a portion of the consideration given. It is stated that each transaction will comply with the applicable United States or foreign laws and accounting requirements and that the consideration for any sales transaction will equal the book value of the equity securities being sold. Finally, National, Horizon, or any Non-Exempt Subsidiary propose to change at any time the authorized number of shares or classes of shares of capital stock or the par value of any shares of capital stock of Horizon or any Non-Exempt Subsidiary, provided that the consent of all other shareholders is obtained in the case of a partially owned Non-Exempt Subsidiary.

Horizon, directly or indirectly through any subsidiary, requests authority to provide engineering, operating, maintenance, consulting and other technical support services ("Consulting Services") to third parties, including foreign governmental bodies, for energy projects. Consulting Service

may include technology assessments, power factor correction and harmonics mitigation analysis, meter reading and repair, rate schedule design and analysis, environmental services, engineering services, billing services, risk management services, communication systems, information systems and data processing, system and strategic planning, finance, feasibility studies and other related services. Horizon requests authority to provide Consulting Services in both the United States and foreign countries at market prices.

Horizon and Non-Exempt Subsidiaries request authority to pay dividends out of capital and unearned surplus and/or reacquire or retire any securities issued to an associate company. It is stated that these transactions will be effected to the extent allowed under applicable law and the terms of any credit or security instruments to which they may be parties.

For the Commission, by the Division of Investment Management, pursuant to delegated authority.
