

effective market operations.”<sup>131</sup> Congress instructed the Commission to seek to “enhance competition and to allow economic forces, interacting with a fair regulatory field, to arrive at appropriate variation in practices and services.”<sup>132</sup>

The Commission believes that the proposal incorporates features that will provide investors with the opportunity to receive economically efficient execution of their securities transactions and to promote fair and orderly markets.<sup>133</sup> In addition to the features noted above, the Commission notes that a significant feature of the Arca Book is that it potentially provides an opportunity for investors’ orders to be executed without the participation of a market maker. The Commission also believes that the real-time dissemination of the Arca Book to the public via the internet will provide valuable information to all market participants and is reasonably designed to promote price discovery. Finally, the Commission believes that ArcaEx’s routing technology and link to ITS will allow investor orders efficiently to reach other markets with better prices. Therefore, Commission finds that the PCX’s proposal is consistent with section 11A of the Act.

#### VI. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning Amendment Nos. 4 and 5, including whether Amendment Nos. 4 and 5 are consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW, Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission’s Public Reference Room. Copies of such filing will also be available for inspection and copying at the principal office of the PCX. All submissions should refer to Amendment Nos. 4 and 5 of File No. SR-PCX-2000-

25 and should be submitted by November 23, 2001.

#### VII. Order Granting Approval

The original rule proposal was noticed for public comment in November 2000. Amendment No. 4 makes technical corrections to the rules and adds a provision with respect to the status of the books and records of Archipelago Holdings LLC. Amendment No. 5 is directly responsive to questions raised by commenters regarding the status of Wave. The Commission believes that it has received and fully considered substantial, meaningful comments with respect to the PCX’s proposal, as amended, and that Amendment Nos. 4 and 5 do not raise issues that warrant further delay.<sup>134</sup> Accordingly, pursuant to section 19(b)(2) of the Act,<sup>135</sup> the Commission finds good cause to approve Amendment Nos. 4 and 5 prior to the thirtieth day after notice of the Amendments is published in the **Federal Register**.

*It is therefore ordered*, pursuant to section 19(b)(2) of the Act,<sup>136</sup> that Amendment Nos. 4 and 5 to the PCX’s proposed rule change are hereby granted accelerated approval; and

*It is also ordered*, pursuant to section 19(b)(2) of the Act,<sup>137</sup> that the proposed rule change (File No. SR-PCX-00-25), as amended, is hereby approved.

By the Commission.

of 1934 (“Act”),<sup>1</sup> and rule 19b-4 thereunder,<sup>2</sup> a proposed rule change that would: (i) Amend Phlx By-Law Article XII, section 12-4 and Article XV sections 15-1 and 15-2 to reduce the current 14-day posting period for membership and foreign currency options participation transfers to seven days,<sup>3</sup> (ii) change the notice of posting from the Exchange bulletin board to the Phlx website while retaining publication in the Secretary’s Weekly Bulletin; and (iii) allow the Chairman or his designate to reduce the posting period as deemed appropriate upon determination that such action is in the best interests of the Exchange. The **Federal Register** published the proposed rule change for comment on September 26, 2001.<sup>4</sup> The Commission received no comments on the proposal.

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange<sup>5</sup> and, in particular, the requirements of section 6 of the Act<sup>6</sup> and the rules and regulations thereunder. The Commission finds that the proposed rule change is consistent with section 6(b)(5) of the Act<sup>7</sup> and believes that the proposed rules should continue to provide members with sufficient notice of proposed transfers of memberships or foreign currency options participations to allow for the submission of information concerning an applicant’s qualifications and fitness for membership. Therefore, the Commission finds the proposed rule change is designed to promote just and equitable principles of trade, to prevent fraudulent and manipulative acts and,
