On the next page, type in the four digit docket number shown on the first page of this document (6189). Then click on "search."

#### Background

The Air Transportation Safety and System Stabilization Act (Public Law 107-42, September 22, 2001) (the "Act") was enacted in response to the terrorist attacks on New York and Washington. Section 101(a)(2) of the Act authorizes the President to compensate air carriers for the direct and incremental losses they incurred from terrorist attacks of September 11, 2001, and any resulting ground stop order. The President signed a Memorandum for the Secretary of Transportation, dated September 25, 2001 (66 FR 49507, September 27, 2001), delegating his authority under Section 101(a)(2) to the Secretary of Transportation. Under the authority of section 322 (b) of title 49, United States Code, the Secretary may delegate his authority unless otherwise prohibited. In the present case the delegation is appropriate.

Since this amendment relates to Departmental management, procedures, and practice, notice and comment on it are unnecessary under 5 U.S.C. 553(b)(3)(A), and it may be made effective in less than 30 days after publication in the **Federal Register** under 5 U.S.C. 553(d)(2) as a change in internal policy.
