

subdivision thereof (including workers in any agricultural firm or appropriate subdivision thereof), have become totally or partially separated from employment and either—

(2) that sales or production, or both, of such firm or subdivision have decreased absolutely,

(3) that imports from Mexico or Canada of articles like or directly competitive with articles produced by such firm or subdivision have increased, and that the increased imports contributed importantly to such workers' separations or threat of separation and to the decline in sales or production of such firm or subdivision; or

(4) that there has been a shift in production by such workers' firm or subdivision to Mexico or Canada of articles like or directly competitive with articles which are produced by the firm or subdivision.

#### Negative Determinations NAFTA-TAA

In each of the following cases the investigation revealed that criteria (3) and (4) were not met. Imports from Canada or Mexico did not contribute importantly to workers' separations. There was no shift in production from the subject firm to Canada or Mexico during the relevant period.

[NAFTA-04721]

#### **Atofina Chemicals, Inc. Including Contract Workers of Washore Mechanical and Blessing Electric Portland, Oregon; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance**

In accordance with section 250(A), subchapter D, Chapter 2, Title II of the Trade Act of 1974 (19 U.S.C. 2273), the Department of Labor issued a Certification Regarding Eligibility to Apply for NAFTA Transitional Adjustment Assistance on June 20, 2001, applicable to workers of Atofina Chemicals, Inc., Portland, Oregon. The notice was published in the **Federal Register** on July 5, 2001 (66 FR 35463).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm.

Information provided by the State and the company shows that employees of Washore Mechanical and Blessing Electric were employed by Atofina Chemicals, Inc. to repair chlorine and chlorate cells, perform pipe maintenance and installation duties and maintain and install high voltage electric systems necessary to produce chloralkali chemicals at the Portland, Oregon location of the subject firm.

Worker separations occurred at Washore Mechanical and Blessing Electric as a result of worker separations at Atofina Chemicals, Inc., Portland, Oregon.

Based on these findings, the Department is amending the certification to include workers of Washore Mechanical and Blessing Electric employed at Atofina Chemicals, Inc., Portland, Oregon.

The intent of the Department's certification is to include all workers of Atofina Chemicals, Inc., Portland, Oregon adversely affected by increased company imports from Canada and Mexico.

The amended notice applicable to NAFTA-4721 is hereby issued as follows:

All workers of Atofina Chemicals, Inc., Portland Oregon and all workers of Washore

Mechanicals and Blessing Electric, Portland, Oregon engaged in activities related to the production of chloralkali chemicals at Atofina Chemicals, Inc., Portland, Oregon, who became totally or partially separated from employment on or after April 4, 2000, through June 20, 2003, are eligible to apply for NAFTA-TAA under section 250 of the Trade Act of 1974.

Signed at Washington, DC this 22nd day of October, 2001.
