

of Merger Sub, a wholly-owned subsidiary of Reliant Resources, into Orion Power Holdings (the Transaction). After the Transaction, each share of stock in the Merger Sub will convert into stock of Orion Power Holdings, and each share of Orion Power Holdings' current outstanding common stock will be converted into the right to receive cash. Orion Power Holdings will be the surviving entity, and will become a wholly-owned subsidiary of Reliant Resources. Thus, the Transaction will result in Reliant Resources' indirect acquisition of Orion Power Holdings, its subsidiaries, and its subsidiaries' jurisdictional facilities.
