

(b) Panel Development: The SAB Panel for this review can be viewed at the SAB's Website at www.epa.gov/sab. The Panel consists of the membership of the DWC, augmented by experts in a number of disciplinary areas (e.g., public health management, drinking water treatment and monitoring, statistical techniques, risk assessment, etc.). The original **Federal Register** notice (July 27, 2001, 66 FR 39163) solicited public comments on the composition and balance of the panel and/or suggestions on persons to be added to the Panel for the second meeting. No formal comments were received as a result of this solicitation. Agency staff and SAB Members/Staff have provided suggestions for persons who can provide the needed expertise. These suggestions were considered in the SAB's decision on the final makeup of the review Panel for the December meeting.

Providing Oral or Written Comments at SAB Meetings

It is the policy of the EPA Science Advisory Board to accept written public comments of any length, and to accommodate oral public comments whenever possible. The EPA Science Advisory Board expects that public statements presented at its meetings will not be repetitive of previously submitted oral or written statements.

Oral Comments: In general, each individual or group wishing to make a brief oral presentation to the Panel must contact Mr. Thomas Miller, DFO for the DWC, no later than noon Eastern Time, Monday, December 3, 2001 in order to be included on the agenda. The request

should identify the name of the individual who will make the presentation, the organization (if any) the will represent, and any requirements for audio visual equipment (e.g., overhead projector, 35 mm projector, chalkboard, etc.). Presentations at face-to-face meeting will be limited to a total time of five minutes per speaker. For teleconference meetings, opportunities for oral comment will usually be limited to no more than three minutes per speaker and no more than fifteen minutes total for all speakers together. Speakers should provide to the SAB Staff Office, at least one week prior to the meeting date, (a) one signed hard copy of the comments for the file and (b) an electronic version of the comments [acceptable file format: WordPerfect, Word, or Rich Text files (in IBM-PC/Windows 95/98 format)]. In addition, the speaker should bring to the meeting at least 35 copies of their comments and presentation slides for distribution to the reviewers and public at the meeting.

Written Comments: Although the SAB accepts written comments until the date of the meeting (unless otherwise stated), written comments should be received in the SAB Staff Office at least one week prior to the meeting date so that the comments may be made available to the committee for their consideration. Comments should be supplied to Mr. Miller (see contact information above) in the following formats: one hard copy with original signature, and one electronic copy via e-mail (acceptable file format: WordPerfect, Word, or Rich Text files (in IBM-PC/Windows 95/98 format)). Those providing written comments and who attend the meeting are also asked to bring 35 copies of their comments for public distribution.

Meeting Access—Individuals requiring special accommodation at these meetings, including wheelchair access to the conference room, should contact Mr. Miller at least five business days prior to the relevant meeting so that appropriate arrangements can be made.
