BILLING CODE 3710-KF-M

DEPARTMENT OF EDUCATION

[CFDA No. 84.116M]

Fund for the Improvement of Postsecondary Education—Special Focus Competition: US-Brazil Higher Education Consortia Program (Institutional Cooperation and Student Mobility in Postsecondary Education Between the United States and Brazil); Notice inviting applications for New Awards for Fiscal Year (FY) 2002.

Purpose of Program: To provide grants or enter into cooperative agreements to improve postsecondary education opportunities by focusing on problem areas or improvement approaches in postsecondary education.

Eligible Applicants: Institutions of higher education or combinations of institutions and other public and private nonprofit institutions and agencies.

Applications Available: November 9, 2001.

Deadline for Transmittal of

Applications: March 29, 2002.

Deadline for Intergovernmental

Review: May 28, 2002.

Estimated Available Funds: \$300,000.

The estimated amount of funds available for awards is based on the Administration's request for this program for FY 2002. The actual level of funding, if any, depends on final congressional action. However, we are inviting applications to allow enough time to complete the grant process if Congress appropriates funds for this program.

Estimated Range of Awards: \$25,000-\$30,000 for FY 2002; \$190,000-\$210,000 for 4-year duration of grant.

Estimated Average Size of Awards: \$30,000 for FY 2002; \$200,000 for 4-year duration of grant.

Estimated Number of Awards: 10.

Note: The Department is not bound by any estimates in this notice.

Project Period: Up to 48 months.

Applicable Regulations: The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 80, 82, 85, 86, 97, 98, and 99.

SUPPLEMENTARY INFORMATION: This program is a Special Focus Competition under the Fund for the Improvement of Postsecondary Education (Title VII, Part B of the Higher Education Act of 1965, as amended) to support projects addressing a particular problem area or improvement approach in postsecondary education. The competition also includes an invitational priority to encourage proposals designed to support the formation of educational consortia of American and Brazilian institutions to encourage cooperation in the coordination of curricula, the exchange of students, and the opening of educational opportunities between the United States and Brazil. The invitational priority is issued in cooperation with Brazil. These awards support only the participation of US institutions and students in these consortia. Brazilian institutions participating in any consortium proposal responding to the invitational priority may apply, respectively, to the Coordination of Improvement of Personnel of Superior Level (CAPES), Brazilian Ministry of Education, for additional funding under a separate but parallel Brazilian competition.

Priority

Invitational Priority

We are particularly interested in applications that meet the following invitational priority:

Projects that support consortia of institutions of higher education that promote institutional cooperation and student mobility between the United States and Brazil.

Under 34 CFR 75.105(c)(1) we do not give an application that meets the priority a competitive or absolute preference over other applications.

Methods for Applying Selection Criteria

The Secretary gives equal weight to the listed criteria. Within each of the criteria, the Secretary gives equal weight to each of the factors.

Selection Criteria

In evaluating applications for grants under this program competition, the Secretary uses the following selection criteria chosen from those listed in 34 CFR 75.210.

(1) The significance of the proposed project, as determined by—

(a) The extent to which the proposed project involves the development or demonstration of promising new strategies that build on, or are alternatives to, existing strategies;

(b) The likely utility of the products (such as information, materials, processes, or techniques) that will result from the proposed project, including the potential for their being used effectively in a variety of other settings; and

(c) The importance or magnitude of the results or outcomes likely to be attained by the proposed project, especially improvements in teaching and student achievement.

(2) The quality of the design of the proposed project, as determined by—

(a) The extent to which the goals, objectives, and outcomes to be achieved by the proposed project are clearly specified and measurable; and

(b) The extent to which the design of the proposed project is appropriate to, and will successfully address, the needs of the target population or other identified needs.

(3) The adequacy of resources, as determined by—

(a) The extent to which the costs are reasonable in relation to the objectives, design, and potential significance of the proposed project;

(b) The potential for continued support of the project after Federal funding ends, including, as appropriate, the demonstrated commitment of appropriate entities to such support; and

(c) The relevance and demonstrated commitment of each partner in the proposed project to the implementation and success of the project.

(4) The quality of the project personnel, as determined by—

(a) The qualifications, including relevant training and experience, of key project personnel; and

(b) The extent to which the applicant encourages applications for employment from persons who are members of groups that have traditionally been underrepresented based on race, color, national origin, gender, age, or disability.

DEPARTMENT OF ENERGY

Agency Information Collection Extension Under Review by the Office of Management and Budget

AGENCY: Department of Energy.

ACTION: Submission for OMB review; comment request.

SUMMARY: The Department of Energy (DOE) intends to extend an information collection package for a period of three years, pursuant to Section 3507(h)(1) with the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995. The Industrial Relations collection package, OMB Control Number 1910-0600, collects information from DOE's Facilities Management Contractors (formerly known as Management and Operating [M&O] Contractors, and Management and Operating Type [M&O Type] Contractors) concerning the management and administration of their workforce. This information is used to exercise management oversight and cost control of our contracts and the application of statutory and contractual requirements. The collection of this data is critical to the Department. It is used to ensure that the contractors satisfy their contractual obligations; contract funds are expended as intended; and to detect and eliminate fraud, waste, and
