AGENCY: Agricultural Marketing Service, USDA.

ACTION: Notice.

SUMMARY: The Agricultural Marketing Service (AMS) of the Department of Agriculture (USDA) is revising the United States Standards for Grades of Frozen Field Peas and Frozen Black-Eye Peas. Specifically, USDA is providing for the "individual attributes" procedure for product grading with

This revision will also provide a uniform format consistent with other recently revised U.S. grade standards by adopting definitions for terms and replacing textual descriptions with easy-to-read tables and other editorial changes. These changes will improve use of the standards.
