Transok, LLC; Notice of Petition for Rate Approval

November 7, 2001.

Take notice that on October 31, 2001, Transok, LLC (Transok), filed a Petition for Rate Approval (Petition) pursuant to section 284.123(b)(2) of the Commission's regulations, to restate its system-wide interruptible transportation rate. In the Petition, Transok requests the Commission to approve the continuation of its current rate of \$0.4085. Transok explains that it discounted all its section 311 transportation in the most recent 12 month period. Transok states its belief that it could justify a higher rate than what it is requesting.

Pursuant to section 284.123(b)(2), if the Commission does not act within 150 days of the filing date, this rates will be deemed to be fair and equitable and not in excess of an amount which interstate pipelines would be permitted to charge for providing similar transportation service. The Commission may, prior to the expiration of the 150-day period, extend the time for action or institute a proceeding to afford interested parties an opportunity for written comments and for the oral presentation of views, data and arguments.

Any person desiring to participate in this rate proceeding must file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). All motions must be filed with the Secretary of the Commission on or before November 23, 2001. This petition for rate approval is on file with the Commission and is available for public inspection.
