AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of proposed rulemaking.

SUMMARY: This action proposes to establish Class E5 airspace at Wauchula, FL. A Non-Directional Beacon (NDB) Runway (RWY) 36 Standard Instrument Approach Procedure (SIAP) has been developed for Wauchula Municipal Airport, Wauchula, FL. As a result, controlled airspace extending upward from 700 feet Above Ground Level (AGL) is needed to contain the SIAP and other Instrument Flight Rules (IFR) operations at Wauchula Municipal Airport. The operating status of the airport would change from Visual Flight Rules (VFR) to include IFR operations concurrent with the publication of the SIAP.

DATES: Comments must be received on or before December 20, 2001.

ADDRESSES: Send comments on the proposal in triplicate to: Federal

Aviation Administration, Docket No. 01-ASO-17, Manager, Airspace Branch, ASO-520, P.O. Box 20636, Atlanta, Georgia 30320.

The Proposal

The FAA is considering an amendment to part 71 of the Federal Aviation Regulations (14 CFR part 71) to establish Class E5 airspace at Wauchula, FL. Class E airspace designations for airspace areas extending upward from 700 feet or more above the surface of the earth are published in Paragraph 6005 of FAA Order 7400.9J, dated August 31, 2001, and effective September 16, 2001, which is incorporated by reference in 14 CFR 71.1. The Class E airspace designation listed in this document would be published subsequently in the Order.

The FAA has determined that this proposed regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore, (1) is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a Regulatory Evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this rule, when promulgated, will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

Federal Tort Claims Act Procedures

AGENCY: Court Services and Offender Supervision Agency for the District of Columbia.

ACTION: Proposed rule.

SUMMARY: In this document, the Court Services and Offender Supervision Agency for the District of Columbia ("CSOSA" or "Agency") is proposing to adopt regulations to supplement Department of Justice regulations for processing administrative claims under the Federal Tort Claims Act ("FTCA"). These supplemental regulations state in plain language what members of the public need to do to file a claim for money damages under the FTCA with CSOSA or with the District of Columbia Pretrial Services Agency ("PSA" or "Agency"). These regulations are necessary to help ensure that persons who suffer proven monetary loss, personal injury, or wrongful death due to a negligent or otherwise wrongful act

or omission of an Agency employee committed while acting within the scope of his or her employment will be properly compensated.

DATES: Comments due by January 22, 2002.

ADDRESSES: Office of the General Counsel, CSOSA, Room 1253, 633 Indiana Avenue, NW., Washington, DC 20004.

FOR FURTHER INFORMATION CONTACT: Roy Nanovic, Records Manager (telephone: (202) 220-5359; e-mail: roy.nanovic@csosa.gov).

SUPPLEMENTARY INFORMATION: The Court Services and Offender Supervision Agency for the District of Columbia ("CSOSA") is proposing to adopt regulations (28 CFR part 801) supplementing Department of Justice regulations (28 CFR part 14) for processing administrative claims under the Federal Tort Claims Act ("FTCA"). CSOSA previously published its organizational regulations (28 CFR part 800) in the **Federal Register** on January 8, 2001 (66 FR 1259). As noted in these organizational regulations, the District of Columbia Pretrial Services Agency ("PSA" or "Agency") is an independent entity within CSOSA. CSOSA's supplemental regulations will be applicable for claims involving CSOSA and/or PSA.

The FTCA essentially waives the federal government's sovereign immunity to damage actions arising out of the negligent or otherwise wrongful acts committed by federal employees while acting within the scope of their employment. General regulations issued by the Department of Justice for processing FTCA claims authorize federal agencies to issue supplementing regulations. Accordingly, CSOSA has prepared these supplemental regulations to state in plain language what members of the public need to do to file a claim for money damages under the FTCA due to a negligent or otherwise wrongful act of a CSOSA or PSA employee committed while acting within the scope of his or her employment. Separate administrative procedures exist for claims by employees of CSOSA or PSA for loss or damage to property incident to their own service.

Directions for filing the claim are contained in § 801.2. The directions are presented in a question and answer format. The easiest way to make sure that a person with a claim includes all information necessary for processing the claim is to submit a completed Standard Form 95 ("SF 95"). The SF 95 is available both online and from CSOSA's

Office of the General Counsel. Other means of written notification, however, may be acceptable as noted in the regulations.

Section 801.3 explains how claims are processed. All claims, whether against CSOSA or PSA, are forwarded to CSOSA's Office of the General Counsel for intake, investigation, and final determination. Section 801.4 covers the claim's final disposition (acceptance of settlement or denial of claim). If you accept a settlement offer, you give up your right to bring a lawsuit against the United States or against the employee whose action or lack of action gave rise to your claim. If your claim is denied or you reject the settlement offer, you have 6 months to file a civil action in the appropriate U.S. District Court.

Matters of Regulatory Procedure*Administrative Procedure Act*

Interested persons may participate in this proposed rulemaking by submitting data, views, or arguments in writing or by e-mailing the agency at the addresses given above in the **ADDRESSES** and **FOR FURTHER INFORMATION CONTACT** captions. Comments received during the comment period will be considered before final action is taken. Comments received after the expiration of the comment period will be considered to the extent practicable. All comments received remain on file for public inspection at the above address. The proposed rule may be changed in light of the comments received. We will not be holding oral hearings on this proceeding.

Executive Order 12866

This proposed rule has been determined to be significant under Executive Order 12866 and has been reviewed by the Office of Management and Budget.

Executive Order 13132

This rule will not have substantial direct effects on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. Therefore, in accordance with Executive Order 13132, the Director of CSOSA has determined that this rule does not have sufficient federalism implications to warrant the preparation of a Federalism Assessment.
