As required by 19 CFR 351.214(b)(2)(i), (ii), and (iii)(A), the company identified above has certified that it did not export brake rotors to the United States during the period of investigation ("POI"), and that it has never been affiliated with any exporter or producer which did export brake rotors during the POI. The company has further certified that its export activities are not controlled by the central government of the PRC, satisfying the requirements of 19 CFR

Pursuant to the Department's regulations at 19 CFR 351.214(b)(2)(iv)(A), LKTLC submitted documentation establishing the date on which it first shipped the subject merchandise to the United States, the date of entry of that first shipment, the volume of that shipment, and the date of the first sale to an unaffiliated customer in the United States.

In accordance with section 751(a)(2)(B) of the Act, as amended, and 19 CFR 351.214(b), and based on information on the record, we are initiating the new shipper review for LKTLC.

We will instruct the Customs Service to allow, at the option of the importer, the posting, until the completion of the review, of a bond or security in lieu of a cash deposit for each entry of the merchandise exported by the above-listed company. This action is in accordance with 19 CFR 351.214(e).

Interested parties that need access to proprietary information in this new shipper review should submit applications for disclosure under administrative protective orders in accordance with 19 CFR 351.305 and 351.306.
