

common carrier in its tariff and FMC-1 form (FMC Organization No. 9587). Martyn and Mary Anne Merritt have been identified as corporate directors of this company, which is located at the same address as Cargo Carriers Ltd. For a common carrier to be considered an ocean common carrier under the Shipping Act of 1984, it must operate a vessel on the high seas between a port in the United States and a foreign port. Commonwealth Shipping Ltd. does not appear to operate any vessels on the high seas between a port in the United States and a foreign port. Therefore, it appears that Commonwealth Shipping Ltd.'s tariff in which it is identified as a vessel-operating common carrier contains false information.

The Order directs Cargo Carriers Ltd. to show cause why the Commission should not order the revocation of its ocean transportation intermediary license for providing materially false or misleading statements to the Commission; and to show cause why the Commission should not order the cancellation of its non-vessel-operating common carrier tariff if its license is revoked. The Order also directs Commonwealth Shipping Ltd. show cause why the Commission should not order the cancellation of its tariff holding itself out to the public as an ocean common carrier because it does not operate as an ocean common carrier. The Order further directs Cargo Carriers Ltd., Commonwealth Shipping Ltd., Martyn C. Merritt and Mary Anne Merritt show cause why the Commission should not order Cargo Carriers Ltd., Commonwealth Shipping Ltd., Martyn C. Merritt and Mary Anne Merritt to cease and desist from future violations of the Shipping Act of 1984.

The full text of the Order may be viewed on the Commission's homepage at www.fmc.gov, or at the Office of the Secretary, Room 1046, 800 N. Capitol Street, NW., Washington, DC.

Any person having an interest and desiring to intervene in this proceeding shall file a petition for leave to intervene no later than December 31, 2001 in accordance with 46 CFR 502.72.

Bryant L. VanBrakle,
Secretary.

Public Information Collection Requirement Submitted to the Office of Management and Budget for Clearance

AGENCY: Administration on Aging, HHS.

The Administration on Aging (AoA), Department of Health and Human Services, in compliance with the Paperwork Reduction Act (Pub. L. 96-511), is submitting to the Office of Management and Budget for clearance and approval an information collection instrument, entitled Program Evaluation Data Collection Protocols and Tools for the Alzheimer's Disease Demonstration Grants to States Program.

Type of Request: New. The Health Resources and Services Administration previously administered this program.

Use: Consistent with section 398 of the Public Health Service Act, as amended, the AoA requires grantees to collect and report basic client data as part of an overall program evaluation effort. The data collected is used, in aggregate, by AoA to analyze the success and accomplishments of the program, better target resources, and make informed programmatic and policy decisions. Analysis of this data also serves as the basis for the statutorily required report to Congress.

Frequency: Quarterly to Annual, depending on data type, for duration of grant.

Respondents: 25 Alzheimer's Disease Demonstration Grants to States Program grantees.

Estimated number of respondents:
The 25 program grantees will obtain data from approximately 125 local service agencies.

Estimated burden hours: 1,713 per year (68.5/ state/ year).

Additional Information: The data collection protocol consists of a client intake (conducted only once for each person served), quarterly service utilization reports, and an annual agency profile report. Most data elements in this collection are basic and essential elements of existing functional and service assessments that will be conducted by grantees as part of normal service provision. Only states that have voluntarily applied for and been awarded a grant under the Alzheimer's Demonstration Program are required to provide these data. A copy of the data collection instrument may be obtained from: Melanie K. Starns, Administration on Aging, Office of Program Development, Cohen Building, Room 4270, 330 Independence Avenue, SW, Washington, DC 20201.
