

("VitalStream"), a California-based digital broadcasting company, pursuant to which VitalStream would merge with and into a wholly-owned subsidiary of Applicant. Applicant states that it expects the proposed merger to close in the first or second quarter of 2002. Applicant further states that, in addition to seeking to merge with or acquire an operating business, it has attempted to sell the Private Company securities by convincing Private Company to repurchase the securities, discussing a sale with existing shareholders of Private Company, and contacting other persons who have shown an interest in Private Company. Applicant states that it is continuing to attempt to find a purchaser for its block of Private Company securities. In addition, Applicant states that since determining to pursue operating company status at the end of the first quarter of 2001, it has declined to make additional investments in Private Company and has not acquired any other investment securities. Applicant also states that it will hold its cash assets in federally insured money market or demand accounts. Finally, Applicant notes that on November 7, 2001, the Board formalized the decision to pursue operating company status by adopting a resolution that directs Applicant to abandon its efforts to become a BDC and take whatever steps are necessary to become an operating company.

6. Applicant contends that registration under the Act would involve an unnecessary burden and expense for Applicant and its shareholders and would serve no regulatory purpose. For the reasons discussed above, Applicant asserts that the requested relief is consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act.

Applicant's Conditions

1. Applicant will not acquire additional investment securities, as defined in section 3(a)(2) of the Act, or engage in the trading of securities for short-term speculative purposes.

2. Applicant will not hold itself out as being engaged in the business of investing, reinvesting, owning, holding or trading in securities.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-45166, File No. 4-208]

Joint Industry Plan; Order Approving Amendments To Add Chicago Board Options Exchange, Inc. as Participant to Joint-SRO Plan Under Rule 11Ac1-5

December 18, 2001.

I. Introduction

On July 11, 2001, the Chicago Board Options Exchange, Inc. ("CBOE" or "Exchange") submitted to the Securities and Exchange Commission ("SEC" or "Commission") in accordance with section 11A of the Securities Exchange Act of 1934 ("Act")¹ and rule 11Aa3-2 thereunder,² a proposed amendment to the national market system plan establishing procedures under rule 11Ac1-5 ("Joint-SRO Plan" or "Plan").³ Under the proposed amendment, the CBOE would be added as a participant to the Joint-SRO Plan. Notice of filing and an order granting temporary effectiveness of the proposal through December 19, 2001 was published in the **Federal Register** on August 21, 2001.⁴ The Commission did not receive any comments on the proposed amendment. This order approves the amendment on a permanent basis.

II. Discussion

The Joint-SRO Plan establishes procedures for market centers to follow in making their monthly reports required pursuant to rule 11Ac1-5, available to the public in a uniform, readily accessible, and usable electronic format. The current participants to the Plan are the American Stock Exchange LLC, Boston Stock Exchange, Inc., Chicago Stock Exchange, Inc., Cincinnati Stock Exchange, Inc., National Association of Securities Dealers, Inc., New York Stock Exchange, Inc., Pacific Exchange, Inc., and Philadelphia Stock Exchange, Inc.

The amendment adds the CBOE as a participant to the Joint-SRO Plan. Section III(b) of the Joint-SRO Plan provides that a national securities exchange or national securities association may become a party to the Plan by: (1) Executing a copy of the Plan, as then in effect (with the only changes being the addition of the new

participant's name in section II(a) of the Plan and the new participant's single-digit code in section VI(a)(1) of the Plan) and (ii) submitting such executed plan to the Commission for approval. The CBOE submitted a signed copy of the Joint-SRO Plan to the Commission in accordance with the procedures set forth in the Plan regarding new participants.

After careful review, the Commission finds that the amendment to the Joint-SRO Plan is consistent with the requirements of the Act and the rules and regulations thereunder. Specifically, the Commission finds that the proposed amendment is consistent with the requirements of section 11A of the Act,⁵ and rule 11Aa3-2⁶ thereunder. The Plan established appropriate procedures for market centers to follow in making their monthly reports required pursuant to rule 11Ac1-5 available to the public in a uniform, readily accessible, and usable electronic format. The amendment to include the CBOE as a participant in the Joint-SRO Plan should contribute to the maintenance of fair and orderly markets and remove impediments to and perfect the mechanisms of a national market system by facilitating the uniform public disclosure of order execution information by all market centers. The Commission believes that it is necessary and appropriate in the public interest, for the maintenance of fair and orderly markets, to remove impediments to, and perfect mechanisms of, a national market system to allow the CBOE to become a participant in the Joint-SRO Plan. The Commission finds, therefore, that approving the amendment to the Joint-SRO Plan is appropriate and consistent with section 11A of the Act.⁷

III. Conclusion

It is therefore ordered, pursuant to section 11A(a)(3)(B) of the Act⁸ and rule 11Aa3-2 thereunder,⁹ that the amendment to the Joint-SRO Plan to add the CBOE as a participant is approved and the CBOE is authorized to act jointly with the other participants to the Joint-SRO Plan in planning, developing, operating, or regulating the Plan as a means of facilitating a national market system.
