In addition, the Reform Act provides: that the Council is to monitor cost savings from work rules established under new agreements between Amtrak and its labor unions; that the Council submit an annual report to Congress that includes an assessment of Amtrak's progress on the resolution of productivity issues; and that, after a specified period, the Council has the authority to determine whether Amtrak can meet certain financial goals specified under the Reform Act and, if it finds that Amtrak cannot, to notify the President and the Congress.

The Reform Act prescribes that the Council is to consist of eleven members, including the Secretary of Transportation and ten others nominated by the President and the leadership of the Congress. Members serve a five-year term.
