

appropriate Regional EPA office for review. Complete, final applications will be subject to a public comment period, and reviewed by EPA within 180 days subject to a public comment period, and reviewed by EPA within 180 days of receipt. To receive EPA approval, a State or Tribe must demonstrate that its program is at least as protective of human health and the environment as the Federal program, and provides for adequate enforcement, section 404(b) of TSCA. As determined by EPA's review and assessment, the Cherokee Nation's application successfully demonstrated that the Tribes' lead-based paint activities programs achieve the protectiveness and enforcement criteria, as required for Federal authorization. Furthermore, no public comments were received regarding any aspect of the Cherokee Nations' application. EPA announced solicitation for public comment regarding the application in the **Federal Register** of January 25, 2000 (65 FR 3960) (FRL-6490-1).

II. Federal Overfiling

TSCA section 404(b), 15 U.S.C. 2684(b), makes it unlawful for any person to violate, or fail or refuse to comply with, any requirement of an approved State or Tribal program. Therefore, EPA reserves the right to exercise its enforcement authority under TSCA against a violation of, or a failure or refusal to comply with, any requirement of an authorized State or Tribal program.

III. Withdrawal of Authorization

Pursuant to TSCA section 404(c), 15 U.S.C. 2684(c), the Administrator may withdraw a State or Tribal lead-based paint activities program authorization, after notice and opportunity for corrective action, if the program is not being administered or enforced in compliance with standards, regulations, and other requirements established under the authorization. The procedures EPA will follow for the withdrawal of an authorization are found at 40 CFR 745.324(i).

IV. Submission to Congress and the Comptroller General

The Congressional Review Act, 5 U.S.C. 801 *et seq.*, as added by the Small Business Regulatory Enforcement Fairness Act of 1996, generally provides that before certain actions may take effect, the agency promulgating the action must submit a report, which includes a copy of the action, to each House of the Congress and to the Comptroller General of the United States. EPA will submit a report

containing this action and other required information to the U.S. Senate, the U.S. House of Representatives, and the Comptroller General of the United States prior to publication of this document in the **Federal Register**. This action is not a "major rule" as defined by 5 U.S.C. 804(2).
