

The Proposal

The FAA is considering an amendment to 14 CFR part 71 to modify Class E airspace at Frankfort, MI, by adding an extension to the existing Class E airspace for Frankfort Dow Memorial Field Airport. Controlled airspace extending upward from 700 feet or more above the surface of the earth is needed to contain aircraft executing instrument approach procedures. The area would be depicted on appropriate aeronautical charts. Class E airspace areas extending upward from 700 feet or more above the surface are published in paragraph 6005 of FAA Order 7400.9J dated August 31, 2001, and effective September 16, 2001, which is incorporated by reference in 14 CFR 71.1. The Class E airspace designations listed in this document would be published subsequently in the Order.

The FAA has determined that this proposed regulation only involves an establishment body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. Therefore this, proposed regulation—(1) is not a “significant regulatory action” under Executive Order 12866; (2) is not a “significant rule” under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a Regulatory Evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this proposed rule will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

SUPPLEMENTARY INFORMATION:

Background

The insurance premium excise tax imposed by section 4371 originated as a stamp tax on certain insurance policies in the Act of February 24, 1919, Title IX, section 1100. This provision was reenacted unchanged in the Revenue Act of 1924, as section 800; in the Revenue Act of 1926, as section 800; and in the Internal Revenue Code of 1939 (1939 Code), as section 1804. Section 1809(a) of the 1939 Code required the tax imposed by section 1804 to be paid “by any person who makes, signs, issues, [or] sells * * * any of the documents [or] instruments * * * [including insurance policies subject to tax] * * * or for whose use or benefit the same are made, signed, issued, [or] sold * * *.” Section 1809(b)(1) of the 1939 Code required the tax to be paid by the purchase of stamps to be affixed to taxable documents.

The insurance premium excise tax imposed by section 1804 of the 1939 Code was reenacted in the Internal Revenue Code of 1954 (1954 Code) as section 4371. Section 1809(a) and (b)(1) of the 1939 Code (relating to who is
