**DEPARTMENT OF THE INTERIOR****National Park Service****Announcement of Subsistence Resource Commission Meeting**

**AGENCY:** National Park Service, Interior.

**ACTION:** Announcement of Subsistence Resource Commission meeting.

**SUMMARY:** In accordance with the Federal Advisory Committee Act (Pub. L. 92-463, 86 Stat. 770, 5 U.S.C. App. 1, section 10), notice is hereby given that the National Park Service will hold a public meeting of the Denali National Park Subsistence Resource Commission.

The following agenda items will be discussed:

- (1) Call to Order (Chairman).
- (2) Roll Call: Confirmation of Quorum.
- (3) Introduction of guests.
- (4) Review Agenda.
- (5) Review and approval of minutes from the last meeting.
- (6) Superintendent's welcome and review of the Commission purpose.
- (7) Commission membership status.
- (8) Public and other agency comments.
- (9) Old Business:
  - a. Denali Backcountry Management Plan Status Report.
  - b. Review comment on draft hunting plan recommendations.
- (10) New Business:
  - a. October 2001 Chairs Workshop Report.
  - b. Federal Subsistence Board Report.
    1. Review Wildlife Proposals.
    2. Review Fisheries Proposals.
- (11) Public and other agency comments.
- (12) Subsistence Resource Commission Work Session.
- (13) Set time and place of next Subsistence Resource Commission meeting.
- (14) Adjourn meeting.

**DATES:** The meeting will begin at 9 a.m. on Friday, February 22, 2002 and conclude at approximately 5 p.m. The meeting will adjourn earlier if the agenda items are completed.

**LOCATION:** The Meeting will be held at the Cantwell Community Hall, Cantwell, Alaska, Telephone (907) 768-2122.

**FOR FURTHER INFORMATION CONTACT:** Hollis Twitchell, Subsistence Manager, Denali National Park and Preserve, P.O. Box 9 Denali Park, Alaska, 99755. Phone (907) 456-0595.

**SUPPLEMENTARY INFORMATION:** The Subsistence Resource Commissions are authorized under Title VIII, section 808, of the Alaska National Interest Lands Conservation Act, Public Law 96-487 and operate in accordance with the provisions of the Federal Advisory Committees Act.

In light of a recent attempt to relocate National Park Service administrative personnel and offices in Washington, DC, this notice may not be published at least 15 days prior to the meeting. The National Park Service regrets these events, but is compelled to hold the meeting as scheduled because of the significant sacrifice re-scheduling would require of commission members who have adjusted their schedules to accommodate the proposed meeting dates.

Draft minutes of the meeting will be available for public inspection approximately 6 weeks after the meeting

at the Denali National Park and Preserve Office, PO Box 9, Denali Park, Alaska 99755.

## DEPARTMENT OF THE INTERIOR

### National Park Service

#### **Notice of Inventory Completion for Native American Human Remains and Associated Funerary Objects in the Possession of the U.S. Department of the Interior, National Park Service, Natchez Trace Parkway, Tupelo, MS**

**AGENCY:** National Park Service, Interior.

**ACTION:** Notice.

Notice is hereby given in accordance with provisions of the Native American Graves Protection and Repatriation Act (NAGPRA), 43 CFR 10.9, of the completion of an inventory of human remains and associated funerary objects in the possession of the U.S. Department of the Interior, National Park Service, Natchez Trace Parkway, Tupelo, MS.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 43 CFR 10.2 (c). The determinations within this notice are the sole responsibility of the National Park Service unit that has control or possession of these Native American human remains. The Assistant Director, Cultural Resources Stewardship and Partnerships is not responsible for the determinations within this notice.

A detailed assessment of the human remains was made by National Park Service professional staff in consultation with representatives of the Absentee-Shawnee Tribe of Indians of

Oklahoma; Alabama-Coushatta Tribes of Texas; Alabama-Quassarte Tribal Town, Oklahoma; Cherokee Nation, Oklahoma; Chickasaw Nation, Oklahoma; Chitimacha Tribe of Louisiana; Choctaw Nation of Oklahoma; Eastern Band of Cherokee Indians of North Carolina; Eastern Shawnee Tribe of Oklahoma; Jena Band of Choctaw Indians, Louisiana; Kialegee Tribal Town, Oklahoma; Miccosukee Tribe of Indians of Florida; Mississippi Band of Choctaw Indians, Mississippi; Muskogee (Creek) Nation, Oklahoma; Poarch Band of Creek Indians of Alabama; Seminole Nation of Oklahoma; Seminole Tribe of Florida, Dania, Big Cypress, Brighton, Hollywood & Tampa Reservations; Thlopthlocco Tribal Town, Oklahoma; Tunica-Biloxi Indian Tribe of Louisiana; and United Keetoowah Band of Cherokee Indians of Oklahoma. The Shawnee Tribe, also known also as the "Loyal Shawnee" or "Cherokee Shawnee," a nonfederally recognized Native American group at the time that they were consulted, has since been recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians under provisions of P.L. 106-568.

The 50 human remains and 5,257 associated funerary objects described below were recovered from 5 different sites.

In 1939, human remains representing 13 individuals were recovered from Alton's Chickasaw Village during a legally authorized National Park Service excavation. No known individuals were identified. The 2,174 associated funerary objects are 2,107 glass beads, 55 kettle fragments, 2 brass buckles, 2 ear plugs, 2 pieces of wood, 2 cloth fragments, 1 animal bone fragment, 1 bell, 1 iron hoe, and 1 metal spring.

In 1940, human remains representing 26 individuals were recovered from the Ackia Village site during a legally authorized National Park Service excavation to gather information on historic Chickasaw sites. No known individuals were identified. The 88 associated funerary objects are 28 musket balls, 17 metal spring fragments, 12 buttons, 7 pieces of worked bone, 5 gunflints, 4 flake tools, 2 glass beads, 2 projectile points, 2 knife fragments, 2 bracelets, 1 brass bell, 1 nail, 1 metal fragment, 1 stone biface, 1 scraper, 1 cup, and 1 tobacco pipe.

In 1940, human remains representing three individuals were recovered from the Beldin's Ridge site during a legally authorized National Park Service project. No known individuals were identified. The 977 associated funerary objects are 972 glass beads, 2 copper

ornaments, 2 Wilson Plain-variety Oktibbeha ceramic vessel fragments, and 1 stone tool.

In 1947 and 1948, human remains representing seven individuals were recovered from the Bynum Mounds site during a legally authorized project. No known individuals were identified. The 2,014 associated funerary objects are 1,916 glass beads, 27 metal fragments, 9 silver spoons, 9 flintlock fragments, 6 cloth fragments, 5 metal files, 4 metal knives, 4 wire fragments, 4 copper earrings, 4 ornaments, 3 metal cups, 2 shell gorgets, 2 musket balls, 2 rivets, 2 blades, 2 utensils, 1 tobacco pipe, 1 gunflint, 1 whetstone, 1 silver brooch, 1 silver crown, 1 metal spike, 1 metal spring, 1 button, 1 snuffbox, 1 bell, 1 powder flask, 1 ground stone, 1 polishing stone, 1 basket fragment, 1 worked antler, 1 metal screw, and 1 unidentifiable object.

In 1955, human remains representing one individual were recovered from the site of the Futorian Furniture Company. The site, which is located off of park property, was legally excavated. No known individual was identified. No associated funerary objects are present.

Ackia Village, Alton's Chickasaw Village, Beldin's Ridge, and the Futorian Furniture Company sites are all located in the vicinity of Tupelo, MS, within the area known as "Chickasaw Old Fields." In the early 18th century, the Chickasaw consolidated their settlements into this area. The locations of these villages are recorded on several historic maps. On the basis of historic maps and records, as well as the archeological data gathered during the excavations, the occupation of these sites has been dated to the first half of the 18th century (A.D. 1700-1750). Historical accounts also document that each of these sites was the location of a Chickasaw village and is within the historic homeland of the Chickasaw Nation.

The Bynum Mounds site is located south of Tupelo in Chickasaw County, MS. The site consists of a village and burial mound dating to the Woodland period (200-300 B.C.), and a historic period (A.D. 1750-1850) village occupation. On the basis of the artifacts associated with the burials, the human remains from the historic component are believed to date to the early 19th century (A.D. 1800-1830). The site is located within the historic homeland of the Chickasaw Nation.

Based on the above-mentioned information, the superintendent of Natchez Trace Parkway has determined that, pursuant to 43 CFR 10.2 (d)(1), the human remains listed above represent the physical remains of 50 individuals of Native American ancestry. The
