SUPPLEMENTARY INFORMATION:

Authority: Section 204 of the Agricultural Act of 1956, as amended (7 U.S.C. 1854); Executive Order 11651 of March 3, 1972, as amended.

The Memorandum of Understanding of December 29, 2001, between the Governments of the United States and Cambodia amends and extends the bilateral textile agreement of January 20, 1999 to cover the period January 1, 2002 through December 31, 2004.

The limits under this agreement may be revised if Cambodia becomes a member of the World Trade Organization (WTO) and the United States applies the WTO agreement to Cambodia.

In the letter published below, the Chairman of CITA directs the Commissioner of Customs to establish the 2002 limits, which include a nine percent (9%) increase to all of Cambodia's quotas under the Labor Standards provision described in **Federal Register** notice 64 FR 60428, published on November 5, 1999).

A description of the textile and apparel categories in terms of HTS numbers is available in the CORRELATION: Textile and Apparel Categories with the Harmonized Tariff Schedule of the United States (see **Federal Register** notice 66 FR 65178, published on December 18, 2001).

D. Michael Hutchinson,

Acting Chairman, Committee for the Implementation of Textile Agreements.

Committee for the Implementation of Textile Agreements

January 3, 2002.

Commissioner of Customs,
Department of the Treasury, Washington, DC 20229.

Dear Commissioner: Pursuant to section 204 of the Agricultural Act of 1956, as amended (7 U.S.C. 1854); Executive Order 11651 of March 3, 1972, as amended; and the Memorandum of Understanding, dated December 29, 2001, between the Governments of the United States and Cambodia, you are directed to prohibit, effective on January 8, 2002, entry into the United States for consumption and withdrawal from warehouse for consumption of cotton, wool and man-made fiber textile products in the following categories, produced or manufactured in Cambodia and

exported during the twelve-month period beginning on January 1, 2002 and extending through December 31, 2002, in excess of the following levels of restraint:

Category	Twelve-month restraint limit
331/631	2,012,222 dozen pairs.
334/634	220,696 dozen.
335/635	84,383 dozen.
338/339	3,472,705 dozen.
340/640	973,656 dozen.
345	122,031 dozen.
347/348/647/648	3,894,622 dozen.
352/652	778,925 dozen.
435	21,037 dozen.
438	101,072 dozen.
445/446	123,533 dozen.
638/639	1,168,386 dozen.
645/646	324,552 dozen.

This directive cancels and supercedes the counting letter of December 26, 2001. The limits set forth above are subject to adjustment pursuant to the provisions of the Memorandum of Understanding of December 29, 2001 between the Governments of the United States and Cambodia.

Products in the above categories exported during 2001 shall be charged to the applicable category limits for that year (see directive dated January 8, 2001) to the extent of any unfilled balances. In the event the limits established for that period have been exhausted by previous entries, such products shall be charged to the limits set forth in this directive.

These limits may be revised if Cambodia becomes a member of the World Trade Organization (WTO) and the United States applies the WTO agreement to Cambodia.

Moreover, these limits may be revised in light of the U.S. determination as to whether working conditions in the Cambodian textile and apparel sector substantially comply with Cambodian labor law and internationally recognized core labor standards (see **Federal Register** notice 64 FR 60428, published on November 5, 1999).

In carrying out the above directions, the Commissioner of Customs should construe entry into the United States for consumption to include entry for consumption into the Commonwealth of Puerto Rico.

The Committee for the Implementation of Textile Agreements has determined that these actions fall within the foreign affairs exception of the rulemaking provisions of 5 U.S.C. 553(a)(1).

Sincerely,

D. Michael Hutchinson

Acting Chairman, Committee for the Implementation of Textile Agreements.

Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

SUMMARY: The Leader, Regulatory Information Management Group, Office of the Chief Information Officer, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before March 11, 2002.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its

statutory obligations. The Leader, Regulatory Information Management Group, Office of the Chief Information Officer, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) title; (3) summary of the collection; (4) description of the need for, and proposed use of, the information; (5) respondents and frequency of collection; and (6) reporting and/or recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.
