DEPARTMENT OF LABOR

Pension and Welfare Benefits Administration

[Exemption Application No. D-10762, et al.]

Prohibited Transaction Exemption 2002-01; Grant of Individual Exemptions; Key Trust Company of Ohio, et al.

AGENCY: Pension and Welfare Benefits Administration, Labor.

ACTION: Grant of individual exemptions.

SUMMARY: This document contains exemptions issued by the Department of Labor (the Department) from certain of the prohibited transaction restrictions of the Employee Retirement Income Security Act of 1974 (the Act) and/or the Internal Revenue Code of 1986 (the Code).

Notices were published in the **Federal Register** of the pendency before the Department of proposals to grant such exemptions. The notices set forth a summary of facts and representations contained in each application for exemption and referred interested persons to the respective applications for a complete statement of the facts and representations. The applications have been available for public inspection at the Department in Washington, DC. The notices also invited interested persons to submit comments on the requested exemptions to the Department. In addition, the notices stated that any interested person might submit a written request that a public hearing be held (where appropriate). The applicants have represented that they have complied with the requirements of the notification to interested persons. No public comments and no requests for a hearing, unless otherwise stated, were received by the Department.

The notices of proposed exemption were issued and the exemptions are being granted solely by the Department because, effective December 31, 1978, section 102 of Reorganization Plan No. 4 of 1978, 5 U.S.C. App. 1 (1996), transferred the authority of the Secretary of the Treasury to issue exemptions of the type proposed to the Secretary of Labor.

Statutory Findings

In accordance with section 408(a) of the Act and/or section 4975(c)(2) of the Code and the procedures set forth in 29 CFR Part 2570, Subpart B (55 FR 32836, 32847, August 10, 1990) and based upon

the entire record, the Department makes the following findings:

(a) The exemptions are administratively feasible;

(b) They are in the interests of the plans and their participants and beneficiaries; and

(c) They are protective of the rights of the participants and beneficiaries of the plans.

Exemption

I. Covered Transactions

The restrictions of sections 406(a), 406(b)(1) and (b)(2) of the Act and the sanctions resulting from the application of section 4975 of the Code, by reason of section 4975(c)(1)(A) through (E) of the Code,¹ shall not apply to the making of interest-free loans to a defined contribution plan (the Plan) by its respective sponsor (the Plan Sponsor) pursuant to the terms of a credit facility arrangement (the Credit Facility Arrangement), established by Key Trust and its affiliates (collectively, KeyBank), which enables daily transactions, such as participant investment transfers, distributions or participant loans, in connection with the Plan's unitized employer stock fund (the Unitized Employer Stock Fund or Fund) within KeyBank; and (2) the repayment, by the Plan to the Plan Sponsor, of any interest-free loan within 90 days with cash proceeds received from the sale of employer stock (Employer Stock) held in the Unitized Employer Stock Fund.

II. General Conditions

(a) Each loan made under the Credit Facility Arrangement provides short-term funds to the Plan for a period of no longer than 90 days for the purpose of facilitating Plan participant transfers, distributions, loans and other participant transactions involving the Plan's Unitized Employer Stock Fund.

(b) The maximum amount of short-term funds available to a Plan under the Credit Facility Arrangement, in the aggregate, does not exceed 25 percent of the fair market value of the Plan's Unitized Employer Stock Fund.

(c) Each loan made under the Credit Facility Arrangement is repaid with proceeds from the sale of Employer Stock held in the Unitized Employer Stock Fund.

¹ Unless otherwise noted, references to specific sections of the act refer also to the corresponding provisions of the Code.

(d) For purposes of repaying a loan under the Credit Facility Arrangement, the sales price for the Employer Stock is based upon its fair market value as determined on the New York Stock Exchange (the NYSE) or other applicable securities exchange where such Employer Stock is primarily traded on the date of the transaction, as calculated by an independent pricing service.

(e) Each loan made under the Credit Facility Arrangement is unsecured and no commitment fees, interest or commissions are paid by the Plan.

(f) In the event of a loan default or delinquency, the Plan Sponsor has no recourse against the Plan.

(g) Each loan is initiated, accounted for and administered by KeyBank, the independent fiduciary, which will monitor the terms and conditions of the exemption on behalf of the Plan, at all times.

(h) KeyBank maintains for a period of six years, in a manner that is accessible for audit and examination, the records necessary to enable the persons described in paragraph (i) to determine whether the conditions of this exemption have been met, except that—

(1) A prohibited transaction will not be considered to have occurred if, due to circumstances beyond the control of KeyBank, such records are lost or destroyed prior to the end of such six year period; and

(2) No party in interest, other than KeyBank, shall be subject to the civil penalty that may be assessed under section 502(i), or the taxes imposed by section 4975(a) and (b) of the Code, if the records are not maintained, or are not available for examination as required by paragraph (h).

(i)(1) Except as provided in paragraph (h)(2) and notwithstanding anything to the contrary in sections 504(a)(2) and (b) of the Act, the records referred to in paragraph (h) are unconditionally available for examination during normal business hours by—

(A) Any duly authorized employees or representatives of the Department or the Internal Revenue Service;

(B) Any fiduciary of a Plan or any duly authorized employee or representative of such fiduciary; and

(C) Any participant or beneficiary of a Plan or any duly authorized employee or representative of such participant or beneficiary.

General Information

The attention of interested persons is directed to the following:

(1) The fact that a transaction is the subject of an exemption under section 408(a) of the Act and/or section 4975(c)(2) of the Code does not relieve a fiduciary or other party in interest or disqualified person from certain other provisions to which the exemptions does not apply and the general fiduciary responsibility provisions of section 404 of the Act, which among other things require a fiduciary to discharge his duties respecting the plan solely in the interest of the participants and beneficiaries of the plan and in a prudent fashion in accordance with section 404(a)(1)(B) of the Act; nor does it affect the requirement of section 401(a) of the Code that the plan must operate for the exclusive benefit of the employees of the employer maintaining the plan and their beneficiaries;

(2) These exemptions are supplemental to and not in derogation of, any other provisions of the Act and/or the Code, including statutory or administrative exemptions and transactional rules. Furthermore, the fact that a transaction is subject to an administrative or statutory exemption is not dispositive of whether the transaction is in fact a prohibited transaction; and

(3) The availability of these exemptions is subject to the express condition that the material facts and representations contained in each application accurately describes all material terms of the transaction which is the subject of the exemption.

Signed at Washington, D.C., this 3rd day of January, 2002.

knowledgeable about the issues. Interested parties should have experience in evaluating outcomes, particularly in civil legal services organizations. Understanding the goals and purposes of state planning and related issues is also critical.

There will be three meetings: March 13 to 15, 2002 in Washington, DC; April 16 and 17 in Cleveland; May 16 and 17, 2002. Participation in conference calls and other communications such as e-mail is also expected. The project will take nine months.
