DEPARTMENT OF HEALTH AND HUMAN SERVICES

Office of Public Health and Science; Announcement of Availability of Grants for Adolescent Family Life Demonstration Projects

AGENCY: Office of Adolescent Pregnancy Programs, Office of Population Affairs, OPHS, HHS.

ACTION: Notice.

SUMMARY: The Office of Adolescent Pregnancy Programs (OAPP) requests applications for prevention grants under the Adolescent Family Life (AFL) Demonstration Projects Program, as authorized by Title XX of the Public Health Service Act. These grants are for community-based and community-supported demonstration projects to find effective means of preventing pregnancy by encouraging adolescents to abstain from sexual activity through provision of age-appropriate education on sexuality and decision-making skills. Faith-based organizations are eligible to apply for these demonstration grants. These Title XX grants should clearly

and consistently focus on promoting abstinence as the most effective way of preventing unintended pregnancy and sexually transmitted infections (STIs), including HIV. All adolescents under age 19 are eligible for services. Funds will be available for approximately 35 projects, which may be located in any State, the District of Columbia, and United States territories, commonwealths and possessions.

DATES: The closing date for this grant announcement is March 11, 2002. Applications will be considered as meeting the deadline if they are postmarked on or before the closing date. A legibly dated receipt from a commercial carrier or U.S. Postal Service will be accepted in lieu of a postmark. Private metered postmarks will not be accepted as proof of timely mailing. All hand delivered applications must be received between the hours of 8:30 am and 5 pm on or before the above closing date. Applications which do not meet the deadline will be considered late applications and will be returned to the applicant. *Applications will not be accepted by fax or e-mail. The submission deadline will not be extended.*

ADDRESSES: Application kits consisting of the appropriate forms, a copy of the Title XX legislation, and guidance on the preparation of the application may be downloaded from the following INTERNET address: <http://opa.osoph.dhhs.gov>. If you do not have access to the INTERNET, you may obtain a kit from the Grants Management Office, Office of Population Affairs, 4350 East-West Highway, Suite 200, Bethesda, MD 20814. Written requests for application kits may be faxed to (301) 594-5981. *All completed applications must be submitted to the Grants Management Office at the above mailing address. In preparing the application, it is important to follow ALL instructions contained in the application kit.*

FOR FURTHER INFORMATION CONTACT: The OAPP Program Office at (301) 594-4004. OAPP staff members are available to answer questions and provide limited technical assistance in the preparation of grant applications. Questions may also be sent to OAPP staff via e-mail at opa@osoph.dhhs.gov. If contacting the OAPP by e-mail, please place the phrase "AFL Prevention Question" in the subject heading.

SUPPLEMENTARY INFORMATION: Title XX of the Public Health Service Act, 42 U.S.C. 300z. *et seq.*, authorizes the Secretary of Health and Human Services to award grants for demonstration projects to provide services to pregnant

and nonpregnant adolescents, adolescent parents and their families (Catalog of Federal Domestic Assistance Number 93.995).

Under this program announcement, OAPP intends to make available approximately \$6.5 million to support an estimated 35 new PREVENTION demonstration projects only. The awards will range from \$150,000 to \$250,000.

Please note, in Fiscal Year (FY) 1999, OAPP issued a similar Request for Applications (RFA) announcing approximately \$3 million for new abstinence education prevention demonstration projects. In response to that RFA, OAPP received 142 grant applications and was able to fund only 17 new projects.

Grants may be approved for project periods of up to five years. Grants are funded in annual increments (budget periods). Funding for all approved budget periods beyond the first year of the grant is contingent upon the availability of funds, satisfactory progress of the project, and adequate stewardship of Federal funds. A grant award may not exceed 70 percent of the total costs of the project for the first and second years, 60 percent of the total costs for the third year, 50 percent for the fourth year and 40 percent for the fifth year. The non-Federal share of the project costs may be provided in cash expenditures or fairly evaluated in-kind contributions, including facilities, equipment and services.

Applications are encouraged from organizations which are currently operating programs and which have the capability of expanding and enhancing these services to serve significant numbers of adolescents according to the guidelines specified in this announcement.

The specific services which may be funded under Title XX are listed below under the heading entitled "PREVENTION SERVICES."

The following application requirements contain information collections subject to OMB approval under the Paperwork Reduction Act of 1995 (Pub. L. 104-13). These information collections have been approved by OMB under control number 0937-0198.

Technical Assistance

The OAPP has scheduled a series of technical assistance workshops to help prospective applicants. At each of the one-day workshops, the public will be able to learn more about the purposes and requirements of the Title XX program, how to apply for funds under this program announcement, program
