

Factor: 51% higher due to (1) increase in size of record, and (2) increase in number of program participants. Increases were not cumulative; some allowance made for economies of scale and learning curve.

B. Annual Report—2,385 hrs.

Estimate based on 45 hrs./reporting unit to produce one report per year (includes program run, checking, report formatting for transmission).

C. Quarterly Report—3,392 hrs.

Estimate based on 64 hrs./reporting unit to produce four reports per year (includes program run, checking, report formatting for transmission)—16 hrs./report.

D. Customer Satisfaction Survey.

Respondents—4,417 hrs.

Estimate based on 1,000 responses per reporting unit (500 WIA participants and 500 employers) and 5 min. (1/12 hr.) per survey. This assumes the three ACSI questions are asked. States may incur increased costs in the event additional questions are asked on the surveys.

Survey Administration—36,464 hrs.

Estimate based on 41 minutes to obtain a completed survey (telephone contacts, call-backs, data entry). This estimate assumes 50% of the respondents for each State will take an average of 30 minutes each, 25% will require an average of 45 minutes, and 25% will require an average of 60 minutes to obtain each completed survey.

Survey Preparation and Overhead—8,162 hrs.

Estimate based on:

Survey development (preparation of questionnaire and telephone script for interviewer)—40 hrs./reporting unit;

Sample selection—24 hrs./reporting unit;

Survey set-up (setting up survey for telephone administration and creation of a database)—40 hrs./reporting unit;

Compilation of results (includes generation of descriptive statistics and calculation of index for participants and employers)—50 hrs./reporting unit.

Total Burden Cost (Capital/Start-up Costs): \$0. All respondents are currently operating production-status reporting systems.

Total Burden Cost (Operation and Maintenance Costs): \$18,986,229.

Comments submitted in response to this comment request will be summarized and/or included in the request for Office of Management and Budget approval of the information collection request; they will also become a matter of public record.

III. Documents for Review and Comment

The following documents cited in this notice can be viewed at the Department's Internet Web site, <http://www.usworkforce.org>;

- The Workforce Investment Act Title I-B Standardized Record Data (WIASRD) layout;
- The Workforce Investment Act Quarterly Summary Report Format;
- The Instructions for Submission of WIA Quarterly Summary Report;
- The instructions for submission of the WIA Annual Report; and
- The instructions for capturing, computing and recording outcomes on the Customer Satisfaction Measures.

Dated: December 13, 2001.

Emily Stover DeRocco,

Assistant Secretary of Labor.

BILLING CODE 4510-30-P

DEPARTMENT OF LABOR

Employment and Training Administration

Investigations Regarding Certifications of Eligibility To Apply for NAFTA Transitional Adjustment Assistance

Petitions for transitional adjustment assistance under the North American Free Trade Agreement-Transitional Adjustment Assistance Implementation

Act (Pub. L. 103-182), hereinafter called (NAFTA-TAA), have been filed with State Governors under Section 250(b)(1) of Subchapter D, Chapter 2, Title II, of the Trade Act of 1974, as amended, are identified in the Appendix to this Notice. Upon notice from a Governor that a NAFTA-TAA petition has been received, the Director of the Division of Trade Adjustment Assistance (DTAA), Employment and Training Administration (ETA), Department of Labor (DOL), announces the filing of the petition and takes action pursuant to paragraphs (c) and (e) of Section 250 of the Trade Act.

The purpose of the Governor's actions and the Labor Department's investigations are to determine whether the workers separated from employment on or after December 8, 1993 (date of enactment of P.L. 103-182) are eligible to apply for NAFTA-TAA under Subchapter D of the Trade Act because of increased imports from or the shift in production to Mexico or Canada.

The petitioners or any other persons showing a substantial interest in the subject matter of the investigations may request a public hearing with the Director of DTAA at the U.S. Department of Labor (DOL) in Washington, DC provided such request if filed in writing with the Director of DTAA not later than January 21, 2002.

Also, interested persons are invited to submit written comments regarding the subject matter of the petitions to the Director of DTAA at the address shown below not later than January 21, 2002.

Petitions filed with the Governors are available for inspection at the Office of the Director, DTAA, ETA, DOL, Room C-5311, 200 Constitution Avenue, N.W. Washington, DC 20210.

Signed at Washington, DC, this 2nd day of January, 2002.

Edward A. Tomchick,

Director, Division of Trade Adjustment Assistance.

BILLING CODE 4510-30-M

DEPARTMENT OF LABOR**Employment Standards Administration; Wage and Hour Division****Minimum Wages for Federal and Federally Assisted Construction; General Wage Determination; Decisions**

General wage determination decisions of the Secretary of Labor are issued in accordance with applicable law and are based on the information obtained by the Department of Labor from its study of local wage conditions and data made

available from other sources. They specify the basic hourly wage rates and fringe benefits which are determined to be prevailing for the described classes of laborers and mechanics employed on construction projects of a similar character and in the localities specified therein.

The determinations in these decisions of prevailing rates and fringe benefits have been made in accordance with 29 CFR part 1, by authority of the Secretary of Labor pursuant to the provisions of the Davis-Bacon Act of March 3, 1931, as amended (46 Stat. 1494, as amended, 40 U.S.C. 276a) and of other Federal statutes referred to in 29 CFR part 1, Appendix, as well as such additional statutes as may from time to time be enacted containing provisions for the

payment of wages determined to be prevailing by the Secretary of Labor in accordance with the Davis-Bacon Act. The prevailing rates and fringe benefits determined in these decisions shall, in accordance with the provisions of the foregoing statutes, constitute the minimum wages payable on Federal and federally assisted construction projects to laborers and mechanics of the specified classes engaged on contract work of the character and in the localities described therein.

Good cause is hereby found for not utilizing notice and public comment procedure thereon prior to the issuance of these determinations as prescribed in 5 U.S.C. 553 and not providing for delay in the effective date as prescribed in that section, because the necessity to issue
