

contentions which are sought to be litigated in the matter. Each contention must consist of a specific statement of the issue of law or fact to be raised or controverted. In addition, the petitioner shall provide a brief explanation of the bases of the contention and a concise statement of the alleged facts or expert opinion which support the contention and on which the petitioner intends to rely in proving the contention at the hearing. The petitioner must also provide references to those specific sources and documents of which the petitioner is aware and on which the petitioner intends to rely to establish those facts or expert opinion. Petitioner must provide sufficient information to show that a genuine dispute exists with the applicant on a material issue of law or fact. Contentions shall be limited to matters within the scope of the amendment under consideration. The contention must be one which, if proven, would entitle the petitioner to relief. A petitioner who fails to file such a supplement which satisfies these requirements with respect to at least one contention will not be permitted to participate as a party.

Those permitted to intervene become parties to the proceeding, subject to any limitations in the order granting leave to intervene, and have the opportunity to participate fully in the conduct of the hearing, including the opportunity to present evidence and cross-examine witnesses.

If a hearing is requested, the Commission will make a final determination on the issue of no significant hazards consideration. The final determination will serve to decide when the hearing is held.

If the final determination is that the amendment request involves no significant hazards consideration, the Commission may issue the amendment and make it immediately effective, notwithstanding the request for a hearing. Any hearing held would take place after issuance of the amendment.

If the final determination is that the amendment request involves a significant hazards consideration, any hearing held would take place before the issuance of any amendment.

A request for a hearing or a petition for leave to intervene must be filed with the Secretary of the Commission, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001, Attention: Rulemakings and Adjudications Staff, or may be delivered to the Commission's Public Document Room, located at One White Flint North, 11555 Rockville Pike (first floor), Rockville, Maryland, by the above date. Nontimely filings of petitions for leave to intervene, amended petitions, supplemental petitions and/or requests for hearing will not be entertained absent a determination by the Commission, the presiding officer or the presiding Atomic Safety and Licensing Board that the petition and/or request should be granted based upon a balancing of the factors specified in 10 CFR 2.714(a)(1)(i)-(v) and 2.714(d).

For further details with respect to this action, see the application for amendment dated [date], which is available for public inspection at the Commission's Public Document Room (PDR), located at One White Flint North, 11555 Rockville Pike (first floor), Rockville, Maryland. The notice must include the individual's name, organization, address, and telephone number, and a concise summary of the subject matter to be presented.

A written summary of the hearing will be compiled, and such summary will be made available, upon written request to OPIC's Corporate Secretary, at the cost of reproduction.

CONTACT PERSON FOR INFORMATION:

Information on the hearing may be obtained from Connie M. Downs at (202) 336-8438, via facsimile at (202) 218-0136, or via email at cdown@opic.gov.

SUPPLEMENTARY INFORMATION: OPIC is a U.S. Government agency which provides, on a commercial basis, political risk insurance and financing in friendly developing countries and emerging democracies for environmentally sound projects which confer positive developmental benefits upon the project country while creating employment in the U.S. OPIC is required by section 231A(c)(1) of the Foreign Assistance Act of 1961, as amended ("the Act") to hold at least one public hearing each year; and by section 231A(c)(2) to hold a public hearing in conjunction with the quarterly meeting of the Board of Directors.

Among other issues, OPIC's annual public hearing has, in previous years, provided a forum for testimony concerning section 231A(a) of the Act. This section provides that OPIC may operate its programs only in those

countries that are determined to be "taking steps to adopt and implement laws that extend internationally recognized worker rights * * * to workers in that country (including any designated zone in that country)."

Based on consultations with Congress, OPIC complies with annual determinations made by the Executive Branch with respect to worker rights for countries that are eligible for the Generalized System of Preferences ("GSP"). Any country for which GSP eligibility is revoked on account of its failure to take steps to adopt and implement internationally recognized worker rights is subject concurrently to the suspension of OPIC programs until such time as a favorable worker rights determination can be made.

For non-GSP countries in which OPIC operates its programs, OPIC reviews any country which is the subject of a formal challenge at its annual public hearing. To qualify as a formal challenge, testimony must pertain directly to the worker rights requirements of the law as defined in OPIC's 1985 reauthorizing legislation (Public Law 99-204) with reference to the Trade Act of 1974, as amended, and be supported by factual information.

Dated: January 8, 2002.

Connie M. Downs,
OPIC Corporate Secretary.

Applicants' Representations

1. COFC, a Delaware corporation, is a company whose subsidiaries provide a variety of financial products and services to consumers. COFC's principal subsidiary, Capital One Bank ("Bank"), is a limited-purpose Virginia state-chartered credit card bank offering credit card products. COFC also owns Capital One, F.S.B. ("Savings Bank"), a federally chartered savings bank, which is a member of the Federal Home Loan Bank System. The Bank has filed applications with the Board of Governors of the Federal Reserve System and the Bureau of Financial Institutions of the Virginia State Corporation Commission seeking to merge the Savings Bank with and into the Bank and to effect the conversion of the Bank into a Virginia state-chartered

savings bank (the "Merger and Conversion").

2. COFC will establish the COC Trusts as Delaware business trusts and will own all of the outstanding voting beneficial interests to be issued by the COC Trusts. The Bank will establish the COC LLCs as Delaware limited liability companies and will own all of the outstanding voting beneficial interests to be issued by the COC LLCs. Because the Bank is a wholly owned direct subsidiary of COFC, the COC LLCs will be indirect subsidiaries of COFC.

3. The Finance Subsidiaries will be organized to engage in financing activities that will provide funds for use in the operations of COFC, the Bank, and other Controlled Companies. The Finance Subsidiaries' primary function will be to obtain funds through the offer and sale of their preferred beneficial interests (the "Preferred Interests") in U.S., European, and other overseas markets, and to apply the proceeds exclusively to finance the operations of COFC, the Bank and other Controlled Companies. Each COC Trust will hold the Preferred Interests of the related COC LLC which will be contributed to the COC Trust by COFC. Any issuance of a Finance Subsidiary's Preferred Interests will be guaranteed unconditionally (on a subordinated basis) by COFC with a guarantor that meets the requirements of rule 3a-5(a)(2) under the Act (the "Guarantees"). The Guarantees provide each holder of Preferred Interests a direct right of action against COFC to enforce COFC's obligations under the applicable Guarantee without first proceeding against the applicable Finance Subsidiary. In accordance with rule 3a-5(a)(5) under the Act, at least 85% of any cash or cash equivalents raised by each Finance Subsidiary will be invested in or loaned to COFC or Controlled Companies as soon as practicable, but in no event later than six months after such Finance Subsidiary's receipt of such cash or cash equivalents. Additionally, after giving effect to the requested exemption, each Finance Subsidiary will meet the requirements of rule 3a-5(a)(6) under the Act.

Applicants' Legal Analysis

1. Applicants request an order under section 6(c) of the Act exempting each Finance Subsidiary from all provisions of the Act. Rule 3a-5 under the Act provides an exemption from the Act for certain companies organized primarily to finance the business operations of their parent companies or companies controlled by their parent companies.
