DEPARTMENT OF EDUCATION**Notice of Proposed Information Collection Requests**

AGENCY: Department of Education.

SUMMARY: The Leader, Regulatory Information Management Group, Office

of the Chief Information Officer, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before March 15, 2002.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Leader, Regulatory Information Management Group, Office of the Chief Information Officer, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Dated: January 9, 2002.

John Tressler,

Leader, Regulatory Information Management, Office of the Chief Information Officer.

Office of Special Education and Rehabilitative Services

DEPARTMENT OF ENERGY

Office of Arms Control and Nonproliferation; Proposed Subsequent Arrangement

AGENCY: Department of Energy.

ACTION: Subsequent arrangement.

SUMMARY: This notice is being issued under the authority of section 131 of the Atomic Energy Act of 1954, as amended (42 U.S.C. 2160). The Department is providing notice of a proposed "subsequent arrangement" under the Agreement for Cooperation Between the Government of the United States of America, and the Government of the Republic of Korea Concerning Civil Uses of Atomic Energy.

This subsequent arrangement concerns the joint determination by the Government of the United States of America, and the Government of the Republic of Korea pursuant to Article VIII(C) of the Agreement for Cooperation that the provisions in Article XI of that Agreement may be effectively applied for the alteration in form or content of

U.S.-origin nuclear material contained in irradiated nuclear fuels from pressurized water reactors, CANDU reactors, and research reactors at the Post Irradiation Examination Facility (PIEF), the Irradiated Material Examination Facility (IMEF), and the DUPIC Fuel Fabrication Facility (DFDF) at the Headquarters of the Korea Atomic Energy Research Institute, in accordance with the plan contained in KAERI/AR-606/01 (KAERI/AR-583/00-rev.1) and KAERI/AR-607/01 (KAERI/AR-584/00-rev.1), with appendices, dated September 3, 2001. Any activities additional to the plan or changes in the equipment in the PIEF, IMEF, or DFDF will be reviewed by both parties to ensure the general consistency with the scope and objectives of this Joint Determination. Reference is made to the Joint Determinations signed by the Government of the United States of America and the Government of the Republic of Korea on March 29, 1996, and April 8, 1999, covering the same facilities and similar activities. These facilities continue to be acceptable to both parties pursuant to Article VIII(C) of the Agreement for the sole purpose of alteration in form or content of irradiated fuel elements for post-irradiation examination and for research, development, and manufacture of DUPIC fuel powders, pellets, and elements for the period ending March 31, 2007.

In accordance with section 131, of the Atomic Energy Act of 1954, as amended, we have determined that this subsequent arrangement will not be inimical to the common defense and security.

This subsequent arrangement will take effect no sooner than January 29, 2002.

Dated: January 8, 2002.

Trisha Dedik,

Director, Office of Nonproliferation Policy, National Nuclear Security Administration.
