ACTION: Notice.

SUMMARY: The Veterans Health Administration (VHA) is announcing an opportunity for public comment on the proposed collection of certain information by the agency. Under the Paperwork Reduction Act (PRA) of 1995, Federal agencies are required to publish notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension of a currently approved collection, and allow 60 days for public comment in response to the notice. Title: Regulation for Submission of Evidence—Title 38 CFR 17.101(a)(2).

OMB Control Number: 2900-0606.

Type of Review: Extension of a currently approved collection.

Abstract: A third-party payer that is liable for reimbursing VA for health care VA provided to veterans with non-service connected conditions continues to have the option of paying either the billed charges or the amount the health plan demonstrates it would pay to providers other than entities of the United States for the same care or services in the same geographic area. If the amount submitted for payment is less than the amount billed, VA will accept the submission as payment, subject to verification at VA's discretion. VA may request the third-party payer to submit evidence or information to substantiate the appropriateness of the payment amount (e.g., health plan policies, provider agreements, medical evidence, proof of payment to other providers demonstrating the amount paid for the same care and services VA provided). The information is needed to determine whether the third-party payer has met the test of properly demonstrating its equivalent private sector provider payment amount for the same care or

services and within the same geographic area as provided by VA.

Affected Public: Business or other for-profit, Individuals or households, Not for Profit Institutions, Farms, and State, Local or Tribal Government.

Estimated Total Annual Burden: 800 hours.
