Take notice that on January 4, 2002, Dominion Transmission, Inc. (DTI) tendered for filing to be part of its FERC Gas Tariff, the revised tariff sheets listed below, with an effective date of January 1, 2002:

*Third Revised Volume No. 1*

*First Revised Volume No. 2*

First Revised Sheet No. 7  
First Revised Sheet No. 414-427  
First Revised Sheet No. 469-483

DTI states that the filing is being filed in compliance with the letter order issued in the captioned proceedings on October 30, 2001.

In the letter order, the Commission approved the conversion of the individually certificated services that DTI has historically provided to Doswell Limited Partnership (Doswell) and Virginia Power Services Energy Corporation, Inc. DTI explains that the Commission required DTI to advise the Commission of the effective date of the conversion and to file a tariff sheet listing the non-conforming agreements and notice of the cancellation of the individually certificated service agreements at that time.

DTI explains in its filing that the conversion of its services to Doswell and Virginia Power to part 284 service became effective on January 1, 2002.

DTI states that copies of its letter of transmittal and enclosures have been served upon DTI's customers and interested state commissions.
